Dear TCA Families and Friends,

TCA's Board of Directors would like to share some highlights from the May 11, 2026, meeting:

Celebrate TCA

Several TCA student artists (pictured to the right) showed off their artwork as we celebrated their recent success at the District 20 Art Show and the Scholastic Art Awards! Despite tougher competition and fewer awards being given this year, our TCA students earned an impressive total of eight awards, which included art from the elementary, middle, and high school divisions. Furthermore, two students received a Silver Key and an Honorable Mention in the highly competitive Scholastic Art Competition, which drew more than 5,000 entries. What a testament to our incredible visual arts program!

Employee Climate Survey

Marta Schulz shared the positive results of the 2025–2026 Employee Climate Survey, which revealed improvement in almost half of the survey areas, highlighted by TCA's continued commitment to a supportive work environment. Principals and Directors will share their school-specific results with their teams to encourage discussion, celebrate success, and identify opportunities for improvement.

Student Fees

The Board approved the student fees schedule for next school year. It can be found at tcatitans.org student fee schedule. Each campus will communicate with parents sometime in August/September at which time the fees will be posted in Infinite Campus.

Capital Construction

Director Moffat recounted the official "beam-signing" ceremony held at the construction site in mid-April. Touring the site in person made the scale of the project feel even more impressive, and she is excited for students and staff to begin using the space in August. Construction is on schedule, with solar tubes now installed, illuminating the gym with abundant natural light. Drywall installation is also progressing, along with the construction of a firewall connecting the existing building to the new addition.

As always, if you have any questions, please contact us at talk2tcaboard@gmail.com.

Have a great week,

Laura Moffat
Board Secretary
