

Emergency Comfort Kit

In the event of an emergency, and we need to keep students at school longer than the typical day, we would like each child to have a “Comfort Kit”.

These kits are kept in a clearly marked container in each classroom and are only used in the event of an actual emergency. Comfort Kit items need not be new, but they should be clean. Place the following items in a gallon-size Ziploc bag and put the student’s name on it:

- 1 pair mittens or gloves
- 1 pair socks
- 1 warm hat
- 1 pair underwear (for younger students)
- Optional Items (for “extra” comfort):
- A photo of you or your family
- A note to your child

Comfort Kits will be returned to families at the end of each year.
