School Year Forms

School Year forms (previously called Back to School forms). **This applies to any new student regardless of start date at YES Prep.**

Annual Student Enrollment forms ensure important student information, such as guardians, emergency contacts and medical information, is updated and allows the district to respond appropriately in case of emergency. Maintaining up-to-date student information is also needed to maintain compliance with the TEA (Texas Education Agency).

Annual Student Enrollment forms for returning and new students will be released through [Skyward Family Access](#) on Monday, June 15, 2026. We encourage families to complete their students’ Annual Student Enrollment forms as soon as possible.

School Year 2026-2027 Dress Code

YES Prep Public Schools believes in the power of community and school pride while also deeply valuing a student’s right to express their individuality without the fear of unnecessary discipline, body shaming, or the confines of gender norms. Students have the right to be treated equitably and dress code enforcement at YES Prep Public Schools will not create disparities, reinforce or increase the marginalization of any group, nor will it be unfairly enforced more strictly against a student because of racial identity, ethnicity, gender expression, sexual orientation, cultural or religious identity, household income, body size or type, or body maturity.

For the 2026-2027 school year, students are required to wear a YES Prep-branded uniform top five days a week, the last day of the week allows for a variation (i.e. – college t-shirt day). Students will be allowed to wear a uniform top from any previous school year (that fits uniform policy).

Additional Guidance:

- All YES Prep students should own at least 1 campus polo.
- Uniforms from the 2025-2026 school year and previous years are acceptable if they meet the school’s uniform guidelines.

Family Association Volunteer Opportunities

Get Involved and VOLUNTEER at Your Child's School Through the Family Association!

Looking for a way to volunteer, stay connected, and make a difference at your child's school? Join your campus Family Association!

Family Associations at YES Prep are groups of families, parents, teachers, and campus staff who work together to support students and strengthen the school community. These groups create opportunities for families to become more involved on campus by helping organize school events and volunteer opportunities throughout the year.

Family Associations help build stronger connections between families and schools while creating a positive and welcoming environment for all students. Whether you can volunteer occasionally or want to take on a larger leadership role, there is a place for every family to get involved.

What is a Family Association Representative (FAR)?

Family Associations are led by parent volunteers called Family Association Representatives (FARs). FARs help organize family involvement opportunities, communicate with families, support volunteer activities, coordinate meetings and events, and help ensure families stay informed and connected to campus life.

This is a great opportunity for parents and family members to make a meaningful impact at their child’s school by helping lead the campus Family Association and strengthen the school community. Family Association Representatives (FARs) also receive an annual stipend in recognition of the time, leadership, and dedication they invest in supporting their campus community and strengthening family engagement throughout the school year.

On the main YES Prep accounts, you will learn about the latest news and events happening across the district. On your school’s accounts, you will stay up to date on school events and activities. During the summer, both accounts will be sharing information you will need to know for a successful first day of school.
