FACILITIES AND ENERGY MANAGEMENT

325 Hermosa Avenue, Building 5, Colton, CA 92324 – (909) 580-6642

REQUEST FOR QUOTATION (RFQ) ELECTRIC VEHICLE CHARGING EQUIPMENT - TRANSPORTATION YARD

1. INTRODUCTION

The Colton Joint Unified School District (“District”) is soliciting written quotations from qualified Electric Vehicle Supply Equipment (“EVSE”) manufacturers and/or authorized distributors for the supply of Owner-Furnished/Contractor-Installed (“OFCI”) electric vehicle charging equipment associated with the District’s Transportation Yard – Infrastructure Improvements Project located at 451 N. 3rd St, Colton, CA 92324.

The equipment procured under this Request for Quotation (“RFQ”) shall be furnished directly to the District for subsequent installation by the District’s construction contractor. The equipment is identified as “Owner-Furnished/Contractor Installed” within the bid documents of a separate procurement entitled 26-29FAC – Transportation Yard – Infrastructure Improvements. The contractor performing the infrastructure improvements at the site will be responsible for unloading and storage of the EVSE upon delivery to the site.

2. REQUESTED EQUIPMENT

The District is requesting quotations for the following EV charging equipment manufactured by Autel Energy, which is the District standard equipment.

ITEM	DESCRIPTION	QUANTITY
1	Dual-Port DC Fast Chargers (DCFC)	11
2	Single-Port Level 2 EVSE Chargers	3
3	Floor mounted Pedestal, single charger	3

3. BASIS OF DESIGN

The current Basis of Design equipment is understood to include the following:

Dual-Port DC Fast Chargers

- Manufacturer: Autel
- Charger Type: DC Fast Charger
- Configuration: Dual-Port
- Output Capacity: 40kW
- Network Compatibility: OCPP - Charge Pilot Charge Management System by The Mobility House
- Mounting Configuration: Pedestal
- Connector Type: 2 -CCS1
- Utility Voltage Compatibility: 480V, 3-Phase
- Cable Length: 18 ft.
- Cable Management hardware
- ADA Compliance Required

Level 2 Chargers

- Manufacturer: Autel
- Charger Type: AC Pro 80Amp
- Configuration: Single-Port
- Output Capacity: 19.2kW
- Connector Type: J1772
- Network Compatibility: OCPP Charge Pilot Charge Management System by The Mobility House
- Mounting Configuration: Single mounted to pedestal ASC417 with cable management hardware
- Cable Length: 25 ft.
- ADA Compliance Required

4. SCOPE OF SUPPLY

The successful supplier shall furnish all equipment and components necessary for a complete and operational EV charging system including, but not limited to:

- EV charging units
- Pedestals and mounting hardware
- Factory-installed cables and connectors
- Network communication components
- Manufacturer startup requirements
- Pre-Commissioning Service
- Standard Warranty documentation
- Operations and maintenance manuals
- Coordination with District and Contractor
- Shipping and delivery to project site

5. SOFTWARE / ENERGY MANAGEMENT SYSTEM COMPATIBILITY

The proposed equipment shall be fully OCPP compatible with the District's EV charging management software:

- Charge Pilot by The Mobility House

6. DELIVERY REQUIREMENTS

Respondents shall provide:

- Estimated manufacturing lead time
- Estimated delivery schedule
- Shipping terms
- Storage requirements
- Warranty commencement date
- Recommended spare parts

Colton Joint Unified School District

Frank Miranda, Ed.D., Superintendent

Gregory Fromm, Assistant Superintendent, Business Services Division

Owen Chang, Director of Facilities and Energy Management

Delivery location and details:

Colton Joint Unified School District

Transportation Yard

451 North 3rd Street

Colton, CA 92324

Provide seventy-two (72) hours notice to the District prior to delivery date; NOTE: Vendor must be able to guaranteed that the EVSE will be delivered no later than Sept. 1, 2026, unless approved in writing by the District of an alternate delivery schedule.

7. WARRANTY REQUIREMENTS

Provide detailed warranty information including:

- Standard manufacturer warranty duration
- (Optional) 5 years labor and parts warranty coverage

8. REQUIRED QUOTATION CONTENT

Quotation submissions shall include:

1. Manufacturer name and model numbers
2. Unit pricing
3. Sales tax identification
4. Shipping/freight costs
5. Warranty information
6. Identification of any exclusions

9. PRICING FORMAT

Provide pricing in the following format:

ITEM	DESCRIPTION	QTY	UNIT PRICE	EXTENDED
1	DC Compact DCFC Charger	11	\$	\$
2	DC Compact Pre-Commissioning	11	\$	\$
3	AC Pro 80 Charger	3	\$	\$
4	ASC417 Floor mounted Pedestal	3	\$	\$
5	Freight / Shipping	LS	\$	\$
6	Grand Total			\$
7 (Optional)	5 years labor + parts warranty	14		\$

10. DISTRICT RESERVATIONS

The District reserves the right to:

- Reject any or all quotations;

Colton Joint Unified School District

Frank Miranda, Ed.D., Superintendent

Gregory Fromm, Assistant Superintendent, Business Services Division

Owen Chang, Director of Facilities and Energy Management

- Request clarification of submitted quotations;
- Negotiate with one or more respondents;
- Issue addenda;
- Procure equipment through alternative methods if determined to be in the District's best interest.

This RFQ does not constitute a commitment to purchase.

11. DISTRICT'S EVALUATION. After Quotations are received, the District will evaluate the Quotations based on the following criteria, consistent with Public Code section 20118.2:

Criteria
Price
Vendor financing (if any)
Performance reliability
~~Standardization with the District's existing system(s) (N/A)~~
Life-cycle costs
Delivery timetables
Support logistics
~~The range of available competing products and materials available (N/A)~~
~~Fitness of purchase (N/A)~~
Manufacturer's and provider's warranties
Level of responsiveness to the information requested in the RFQ

The Firm will be selected based on the District's determination of who is the most qualified Firm based on which Quotation meets the above criteria and will be most advantageous to the District with price and the other factors considered.

12. QUOTATION SUBMITTAL

Submit quotations electronically in PDF format to:
