Student Name: _____ Grade: _____ Alpha Code:_____

Permission to leave campus during lunch hours for the 2026-2027 school year is considered a **PRIVILEGE**. Furthermore, students of T. DeWitt Taylor Middle-High School who are granted off-campus lunch may ONLY leave campus during their scheduled lunch period.

I give my son/daughter, _____, ALPHA CODE _____ permission to leave the Taylor M/H School campus during his/her regularly scheduled lunch. I understand that my son/daughter will travel by private automobile thus relinquishing Taylor M/H High School from responsibility of any liability. I agree to assume full responsibility for any accident that may occur.

☐ Check box to acknowledge that your student does not presently drive to school, and you are giving explicit permission for him/her to leave campus in another student's car and/or walk, thereby assuming all responsibility for your student's health and well-being while travelling with another student off campus property for lunch.

T. DeWitt Taylor Middle-High School has determined that the following criteria must be met in order to earn off campus privilege:

1. Current GPA 2.0 **and** have a minimum of 5 credits.
2. Purchase a **$25** Lunch Pass. Continued use of lunch pass will be reassessed *each quarter* for appropriate number of credits and GPA.
3. Grade of F" or "I" on 1st, 2nd, or 3rd Quarter Report Card or GPA dropping below required 2.0 will result in loss of lunch pass privilege.
4. Students must have signed parent/guardian permission on file.

Off-Campus lunch permission is a privilege, not a right, and may be suspended or revoked by the student's parent or school administrator. Listed below are some of the reasons off campus permission **will be** revoked for current grading period and/or remainder of school year.
