

SUMMER STEMology CAMP@TISD

Join us for summer fun & learning during our 2026 TISD Summer Camps.

Student participants will enjoy exploring fun and educational subjects while learning an assortment of skills.

From Science to Technology and Engineering to Math - there is something for everyone!

Intro to Vex V5 Camp

Step into the world of professional-grade engineering by building and programming advanced metal robots to solve complex challenges.

JUNE 1 - JUNE 4
8:30 a.m. – 3:00 p.m.
(for incoming 6th - 9th Grade students)

Cost: \$100
Texas High CTE Center

Vex 123 Robotics Camp

Introduce your little learner to the fundamentals of logic and sequencing through interactive, hands-on play with our friendly VEX 123 robots.

JUNE 8 - JUNE 11
9:00 a.m. – 11:00 a.m.
(for incoming K - 2nd Grade students)

Cost: \$50
Waggoner Creek Elementary

ESports I Camp

Young gamers will level up their skills by learning teamwork, strategy, and digital citizenship in a fun, competitive environment.

JUNE 8 - JUNE 11
8:30 a.m. – 11:30 a.m.
(for incoming 3rd - 5th Grade students)

Cost: \$50
Morriss Elementary

ESports II Camp

Master the art of competitive gaming and strategic communication while collaborating with peers in an organized tournament setting.

JUNE 8 - JUNE 11
1:00 p.m. – 4:00 p.m.
(for incoming 6th - 8th Grade students)

Cost: \$50
Morriss Elementary

Intro to Vex IQ Robotics Camp

Discover the thrill of mechanical design as you build and drive your very own custom robots to complete exciting challenges.

JUNE 15 - JUNE 18
8:30 a.m. – 11:30 a.m.
(for incoming 3rd - 5th Grade students)

Cost: \$50
Texas Middle School

Intro to 3D Printing Camp

Watch your imagination take shape as you learn to design digital models and bring them to life through the excitement of 3D printing.

JUNE 15 - JUNE 18
8:30 a.m. – 11:30 a.m.
(for incoming 3rd - 6th Grade students)

Cost: \$50
Texas Middle School

AI Robotics Camp

Explore the future of technology by teaching robots how to “think” and navigate the world using cutting-edge artificial intelligence.

JUNE 15 - JUNE 18
1:00 p.m. – 4:00 p.m.
(for incoming 5th - 8th Grade students)

Cost: \$50
Texas Middle School

Advanced Vex IQ ES Camp

Elementary students get a competitive edge by analyzing the new season's game and developing preliminary strategies for next year's VEX IQ challenge.

JUNE 22 - JUNE 25
8:30 a.m. – 11:30 a.m.
(for incoming 3rd - 5th Grade students)

Cost: \$50
Texas Middle School

Advanced Game Design Camp

Go beyond playing games and start building them by mastering the professional mechanics and logic used by real developers.

JUNE 22 - JUNE 25
8:30 a.m. – 11:30 a.m.
(for incoming 6th - 8th Grade students)

Cost: \$50
Texas Middle School

Advanced Vex IQ MS Camp

Middle school students prepare for the upcoming competition season by designing and programming high-performance robots specifically for the new VEX IQ game challenge.

JUNE 22 - JUNE 25
1:0 p.m. – 4:00 p.m.
(for incoming 6th - 8th Grade students)

Cost: \$50
Texas Middle School

Intro to Game Design Camp

Turn your screen time into creative time by learning the basics of how to build and animate your very own digital worlds.

JUNE 22 - JUNE 25
1:00 p.m. – 4:00 p.m.
(for incoming 3rd - 5th Grade students)

Cost: \$50
Texas Middle School
