

JOHN F. KENNEDY BEARS

Dear Cheektowaga-Sloan Families,

We are excited to share information about our fall sports programs at J.F.K. High School and J.F.K. Middle School. Students entering grades 7–12 are eligible to participate in interscholastic athletics.

To try out for a team, students must complete the following **three-step process**:

1. Register for a Fall Sport

Please complete the Fall Sports Signup Form to register for the sport of your choice. Modified sports are typically for middle school students; however, in certain cases, 7th and 8th graders may be eligible to participate on junior varsity or varsity teams.

2. Submit an Updated Physical

If your child's physical is not current, the coach or athletic director will notify you. All student-athletes are required to have a valid physical on file with the school nurse, dated within the past year.

3. Complete the IMPACT Concussion Test

Student-athletes must complete the IMPACT concussion test every two years. Please follow the instructions provided in the link below to complete the test:

If you have any questions about the process, please don't hesitate to contact the Athletic Department at csnyder@cheektowagasloan.org
