- Tags will be color coded by grade level.
- Teachers will be given 2 car tags per student for parents to place in their car.
- Car tags will be given to parents at Meet the Teacher. If a parent does not attend Meet the Teacher, the teacher, will arrange a way to get their tags to them prior to the first day of school if they are a car rider. (extras will be provided for replacements/new students).
- Laminated backpack tags for ALL students - will be attached to the students' backpacks on the first day of school - this will help everyone remember their number and help locate vehicles once sent outside.
 - Student number will be on **one** side of ALL tags.
 - If they are a bus/daycare rider, write bus # / daycare name on the other side of the backpack tag
