A NIGHT IN THE BRIGHT LIGHT CITY!

The Belton Educational Foundation Annual Gala is our signature event — and the most exciting way to support the 4,500+ students in the Belton School District.

Each year, over 225 community leaders, businesses, and guests come together for a high-energy evening of entertainment, fundraising, and future-building. Together, we celebrate the incredible impact of our donors while raising critical funds to support initiatives that enrich education and meet the real needs of Belton students.

Through impactful programs totaling over $100,000 each year, BEF supports children and education through classroom innovation grants, mental health initiatives, Pirate Pantry weekend food and necessities, scholarships, and tuition assistance. Every dollar raised stays in Belton, supporting children as they learn, grow, and thrive.

ROLL THE DICE AND HAVE SOME FUN!

♦ *Blackjack, Poker and the Roulette Wheel!* ♦

Throughout the evening, you will see firsthand how your support makes a difference — as we spotlight student success stories, teacher achievements, and the positive power of a caring community.

A Night In Las Vegas is not just a fundraiser — it is a celebration of all we can accomplish together.
