Principal

Summer 2026 Front Office Hours

Visitor Hours 8AM - 2PM

Retention / Promotion Decisions

Middle School: If the Retention Placement Committee reviews a middle school student (formally Grade Placement Committee) who is at risk of being retained due to not meeting the YES Prep Middle School Promotion standards, guardians will be informed by Monday, June 1, 2026.

High School: High School Promotion, Placement, and Retention decisions will be made by the campus and communicated to parents/guardians by Monday, June 1, 2026. High school students who have failed one or more semesters of a core class may be required to enroll in Summer Credit Recovery and pass to be promoted or placed into the next grade level. In the event successful completion of Summer Credit Recovery is required for the student to be promoted or placed in the next grade level the parent/guardian will be communicated with before the 2026 - 2027 School Year about final Retention and Placement decisions based on the successful completion of Summer Credit Recovery.

High School Credit Recovery: The YES Prep Credit Recovery Program is for students currently enrolled in 9th - 12th grade and is designed to help students regain credits, persist, stay on track to graduate, and go to college. All core classes, including English, Math, Science, and Social Studies courses, will be offered, and world language courses will only be offered to Juniors and Seniors. YES Prep Summer Credit Recovery will be offered in person at your student's campus through the Edmentum Courseware Platform. A YES Prep Staff member assigned to support your student in

person during Summer Programming. Failure to finish or earn a passing grade will result in the student retaking the course next year and possible retention. More information will follow for students that are registered.

- Date: Tuesday June 2nd - Friday, June 26th (**No summer programming will be held on June 19 as all campuses will be closed in observance of Juneteenth.**)
- Time: Class times are provided by the campus Summer Program Manager and will be communicated at the start of the program

Summer Assignments

While summer work is not mandatory, we strongly encourage students to continue building their skills over the break. Students can stay sharp by practicing Math in IXL, visiting the library to read regularly, and completing STAAR practice activities on the STAAR online platform. Small, consistent practice over the summer can make a big difference in starting next year strong!

Summer School

There are several exciting summer enrichment opportunities available for secondary students. Check out our dates below and mark your calendars! A confirmation will be sent to families before May 26th regarding whether your child needs to attend a summer program.

- **Special population support** will be offered to secondary students in all grades and will start on Tuesday, June 2nd.
- **Attendance Recovery:** for students in 6-12 whose attendance falls below the requirements set by the Texas Education Agency (TEA). State law requires students to be in attendance for at least 90% of their classes in order to receive credit for a course.
 - For middle school students, this requirement applies to the full academic year
 - For high school students, this requirement applies to each individual semester, as credits are awarded per semester
- **Credit Recovery** for students in grades 9 - 12 who did not pass a high school credited class began on Tuesday, June 2nd.
- **ASPIRE Club:** For most participating campuses, enrichment programming offered through ASPIRE for all secondary students begins on Tuesday, June 2nd.
- **Accelerated Learning** is required for identified students who failed an 8th grade reading and/or math, Algebra I, Biology, or US History STAAR EOC assessment and begins on Tuesday June 2nd.
- **STAAR EOC testing** will take place the last week of summer programming June 22-26 and is HIGHLY recommended for all students in grades 9-12 who did not pass or missed their Spring STAAR exam as it is a graduation requirement.

Families with students eligible and identified to attend these summer programming opportunities will receive information by May 26. All students in our summer programming will have access to our free summer meals. Please note that transportation is not provided to students, therefore families will have to arrange for daily transportation, unless predetermined by the ARD committee.

Additionally, there will be no summer programming on Friday, June 19, as campuses will be closed in observance of the Juneteenth holiday.

YES Prep Student Handbook

Access the most updated YES Prep Student Handbook on the YES Prep Website. Changes may be made to the handbook over the summer and throughout the school year; the most updated version will always be posted to the website.

<http://www.yesprep.org/student-handbook>

The YES Prep Student Handbook includes all policies and information for students and families that is consistent from campus to campus across YES Prep. It's crucial that all YES Prep students and guardians are familiar with the Handbook and the information contained within it.

Individual Campus Supplements: Each campus will create their own Individual Campus Supplement to the YES Prep Student Handbook. This supplement contains specific information to the campus your student attends. These supplements will be available on your campus's website at yesprep.org.

School Year 2026-2027 Student Fees

Legal guardians should expect to pay various student fees throughout the year depending on the student's participation in special programming. YES Prep has worked to standardize student fees across campuses and ensure fees being charged to students are aligned with compliance expectations and YES Prep philosophy.

These are some general parameters applied to student fees:

- Students will not be charged for materials that are required for class.
- Students will not be charged a fee for items that have no cost.
- Students will not be charged a fee for items or services that benefit staff members.
- Student fees for specific activities may change from year to year because they are based on a percentage of cost. Campuses will communicate specific fee amounts based on the parameters above as cost for items and programs are finalized.

These are *some* fees families should plan to pay throughout the next school year. Exact amounts will be shared with campuses as they are finalized. This list is not exhaustive, and there may be fees not included below:

- Trip fees (may include day trips and/or overnight trips)
- Athletic fees (applicable to students who participate in athletic programming)
- High School Credit Recovery (applicable to students who must attend Fall, Spring, or Summer Credit Recovery to regain failed credits).

YES Prep will collect any payments you or your student might make through our online webstore (similar to uniform sales) <https://yesprep.revtrak.net/>. We do not accept cash, except for very few exceptions that are \$3 or less. Now families can purchase items available from their campus from their home, anywhere with internet access or in person at the front office where the Operations team can assist you with your credit card or touch to pay purchase online. Any specific student fees will

be available to pay through Skyward Family Access <https://skyward.iscorp.com/YESPrepTXStuSTS/>

YES Prep Atlas and Other Reading Materials

The YES Prep Atlas is the scope of texts students will be assigned to read each year in English classes. The YES Prep Atlas can be found on the “For Parents” section of [yesprep.org](https://www.yesprep.org). All required reading materials will be provided by the campus for students. Required reading materials such as novels, textbooks, and/or SAT prep materials will be provided for students at no cost to the family. <https://www.yesprep.org/families/atlas>

School Year 2026-2027 Annual Student Enrollment Forms

All returning and new students to YES Prep will need to complete Annual Student Enrollment forms. This applies to any student regardless of their start date at YES Prep.

Annual Student Enrollment forms ensure important student information, such as guardians, emergency contacts and medical information, is updated and allows the district to respond appropriately in case of emergency. Maintaining up-to-date student information is also needed to maintain compliance with the TEA (Texas Education Agency).

Annual Student Enrollment forms for returning and new students will be released in mid-June through [Skyward Family Access](#) by selecting the tile named Annual Student Enrollment Forms. We encourage families to complete their students’ Annual Student Enrollment forms as soon as possible but no later than Friday, August 7st.

School Year 2026-2027 Dress Code

YES Prep Public Schools believes in the power of community and school pride while also deeply valuing a student’s right to express their individuality without the fear of unnecessary discipline, body shaming, or the confines of gender norms. Students have the right to be treated equitably and dress code enforcement at YES Prep Public Schools will not create disparities, reinforce or increase the marginalization of any group, nor will it be unfairly enforced more strictly against a student because of racial identity, ethnicity, gender expression, sexual orientation, cultural or religious identity, household income, body size or type, or body maturity.

For the 2026-2027 school year, students are required to wear a YES Prep-branded uniform top five days a week, with flexibility on designated days (i.e. – college t-shirt day). Uniform tops from any previous school year are acceptable as long as it fits uniform policy. The student’s outermost visible layer must be a YES Prep-branded top.

Additional Guidance:

- All YES Prep students should own at least 1 campus polo.
- Uniforms from previous years are acceptable if they meet the school’s uniform guidelines.

The YES Prep polos and spirit shirts will be available for purchase online beginning June 4, 2026. All information pertaining to student uniforms, the links to campus webstores, and distribution guidance can be found on the [YES Prep Student Dress Code website](#).

ParentSquare: YES Prep's Main Communication Channel

YES Prep families should continue referring to ParentSquare as our main platform for systemwide and school-based communication. Through ParentSquare, you'll continue to receive important updates from the charter system and your campus via email, text, or phone call based on your notification preferences.

We encourage all families to download the free ParentSquare app to stay fully connected, message school staff, and manage notification settings to ensure you never miss an important update. Learn more at yesprep.org/parentsquare.

Family Association Volunteer Opportunities

Stay Connected and VOLUNTEER at Your Child's School Through the Family Association!

As students grow older, family involvement continues to play a powerful role in their success. Middle school and high school years are important times for students to feel supported, encouraged, and connected both at home and at school.

The YES Prep Family Association is a great opportunity for parents and family members to stay engaged, volunteer, and make a meaningful impact on campus. Family Associations bring together families, teachers, staff, and administrators to strengthen the school community and support the student experience.

Family Association members help create opportunities for families to become more involved on campus by organizing school events and volunteer opportunities throughout the year, helping foster a positive school culture for students in grades 6-12.

Whether you have little time or want to take on a leadership role, there is a place for every family to get involved and support their campus community.

What is a Family Association Representative (FAR)?

Family Associations are led by parent volunteers called Family Association Representatives (FARs). FARs help organize volunteer opportunities, communicate with families, support campus events and initiatives, coordinate Family Association meetings, and help strengthen the connection between families and the school community.

This is a great opportunity for parents and family members to make a meaningful impact at their child's school by helping lead the campus Family Association and supporting students, staff, and families throughout the school year. Family Association Representatives (FARs) also receive an annual stipend in recognition of the time, leadership, and dedication they invest in supporting their campus community and strengthening family engagement throughout the school year.

Interested in Joining or Volunteering?

Visit the website below to become part of your child's Family Association and learn more about the FAR leadership opportunity at your campus:

Stay Connected

Make sure to stay connected during the summer by following the main YES Prep social media accounts as well as your school's social media accounts.

On the **main YES Prep accounts**, you will learn about the latest news and events happening across the district.

On your **school's accounts**, you will stay up to date on school events and activities.

During the summer, both accounts will be sharing information you will need to know for a successful first day of school.
