Stronger Together: Thank You for an Incredible School Year!

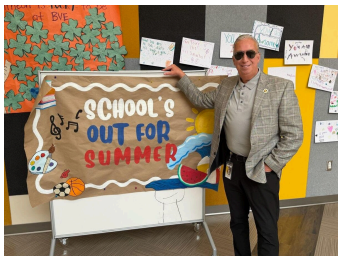

Dear Buckeye Valley Local School District Community,

As we wrap up the 2025-2026 school year, I want to extend my sincere gratitude to our students, families, staff members, community partners, and residents for your continued support of our schools. The strength of BV has always been rooted in the people who believe in our mission to work together to support our students. Your encouragement, involvement, and trust allow us to provide meaningful opportunities and experiences that help every child be successful.

Whether through volunteering in our schools, supporting our extracurricular programs, attending school events, participating in community conversations, or simply encouraging our students each day, your partnership makes a tremendous difference. Together, we continue to create a school district where students feel valued, challenged, supported, and inspired to succeed. I am incredibly proud of the dedication shown by our teachers, staff, administrators, and Board of Education, who work tirelessly to serve our students each day. I am equally grateful for our families and community members who stand beside us in our shared commitment to excellence.

Looking toward the future, we remain focused on continuous improvement, strong relationships, and providing the very best educational experience for every student in the Buckeye Valley. With your continued support, there is no limit to what we can accomplish together. Thank you for being an important part of the Baron family and for your ongoing commitment to our schools and students.

As summer begins, please take the time to enjoy moments with your families. I can't thank you enough for trusting us with your most important treasure, your children. Have a safe and enjoyable summer.

With appreciation,

Ric Stranges
Superintendent,
Buckeye Valley Local School District
