

SUSPENSION AND EXPULSION/DUE PROCESS

The Governing Board desires to provide district students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare and well-being, and promotes their learning and development. The Board shall develop rules and regulations setting the standards of behavior expected of district students and the disciplinary processes and procedures for addressing violations of those standards, including suspension and/or expulsion.

(cf. 5131 - Conduct)

(cf. 5131.1 - Bus Conduct)

(cf. 5131.2 - Bullying)

In order to uphold our mission, PUSD will address challenging behavior and discipline matters as a way to promote learning instead of punishment. Our goal is to keep students at school, learning, and to further assist staff in connecting students with the support they may need to succeed. Furthermore, building a positive school culture through meaningful relationships will improve students' well-being and academic outcome overall. Ultimately allowing for a space where a person's whole identity is appreciated, celebrated, and supported; and all experiences and contributions are valued and in alignment with the board-approved Diversity, Equity and Inclusion lens.

Pasadena USD expects the usage of restorative interventions, Social-emotional resources, Multi-Tiered Systems of Support efforts, and Positive Behavior Intervention and Support (PBIS) to support our students every day.

The Board supports alternatives to suspension for all noninjury offenses for grades TK-5. See AR 5144.1 for specifics.

Alternatives to suspensions will be PUSD's priority.

The grounds for suspension and expulsion and the procedures for considering, recommending, and/or implementing suspension and expulsion shall be only those specified in law, in this policy, and in the accompanying administrative regulation.

Except when otherwise permitted by law, a student may be suspended or expelled only when the behavior is related to a school activity or school attendance

SUSPENSION AND EXPULSION/DUE PROCESS

occurring within any district school or another school district, regardless of when it occurs, including, but not limited to, the following: (Education Code 48900(s))

1. While on school grounds
2. While going to or coming from school
3. During the lunch period, whether on or off the school campus
4. During, going to, or coming from a school-sponsored activity

District staff shall enforce the rules concerning suspension and expulsion of students fairly, consistently, equally, and in accordance with the district's nondiscrimination policies.

Appropriate Use of Suspension Authority

(Education Code 48900.5, 48900.6)

A student's parents/guardians shall be notified as soon as possible when there is an escalating pattern of misbehavior that could lead to on-campus or off-campus suspension.

No student may be suspended for disruption or willful defiance, except by a teacher pursuant to Education Code 48910. (Education Code 48900)

Students shall not be suspended or expelled based solely on a student's truancy, tardiness, or absenteeism from assigned school activities. (Education Code 48900)

To ensure the proper supervision and ongoing learning of students who are suspended for any of the reasons enumerated in Education Code 48900 and 48900.2, but who pose no imminent danger or threat to anyone at school and for whom expulsion proceedings have not been initiated, the Superintendent or designee shall establish a supervised suspension classroom program which meets the requirements of law.

Except where a supervised suspension is permitted by law for a student's first offense, supervised suspension shall be imposed only when other means of correction have failed to bring about proper conduct. (Education Code 48900.5)

6. Possessing an explosive as defined in 18 USC 921

SUSPENSION AND EXPULSION/DUE PROCESS

For all other violations listed in the accompanying administrative regulation under "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion: Grades 6-12,",, the Superintendent or principal shall have the discretion to recommend expulsion of a student. If expulsion is recommended, the Board shall order the student expelled only if it makes a finding of either or both of the following: (Education Code 48915(b) and (e))

2. That due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others

A vote to expel a student shall be taken in an open session of a Board meeting. (Education Code 48918(j))

The Board may vote to suspend the enforcement of the expulsion order pursuant to the requirements of law and the accompanying administrative regulation. (Education Code 48917)

No student shall be expelled for disruption or willful defiance. (Education Code 48900)

SUSPENSION AND EXPULSION/DUE PROCESS

student's rehabilitation, in accordance with the accompanying administrative regulation.

Maintenance and Monitoring of Outcome Data

1. The number of students recommended for expulsion
2. The grounds for each recommended expulsion
3. The actions taken by the Board, including whether the student was subsequently expelled and whether the expulsion order was suspended
4. The types of referral made after each expulsion
5. The disposition of the students after the expulsion period, including the completion of a rehabilitation plan or the successful readmission of the student, or both
6. The average length of expulsion terms, including any extensions

For any expulsion that involves the possession of a firearm, such data shall include the name of the school and the type of firearm involved, as required pursuant to 20 USC 7961. Suspension and expulsion data shall be reported to the Board at least annually and to the California Department of Education when so required.

In presenting the report to the Board, the Superintendent or designee shall disaggregate data on suspensions and expulsions by school and by numerically significant student subgroups, including, but not limited to, ethnic subgroups, socioeconomically disadvantaged students, English learners, long-term English learners, students with disabilities, foster youth, and students experiencing homelessness. Based on the data, the Board shall address any identified disparities in the imposition of student discipline and shall determine whether and how the district is meeting its goals for improving school climate as specified
