GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**DeKalb County School District
Georgia**

For the Fiscal Year Beginning

July 01, 2025

Christopher P. Morrell

Executive Director

Government Finance Officers Association of the United States and Canada (GFOA)

presented a Distinguished Budget Presentation Award to DeKalb County School District, for its FY2026 Budget for the fiscal year beginning July 1, 2025. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communications device.

This award is valid for a period of FY2025-2026 only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

Dr. Norman C. Sauce III
Interim Superintendent of Schools

Ms. Allyson Gevertz, Board Chair, District 4
Mr. Awet Eyasu, Vice Chair, District 7
Mr. Andrew B. Ziffer, District 1
Ms. Whitney McGinniss, District 2
Mrs. Deirdre P. Pierce, District 3
Tiffany Hogan, Ph.D., District 5
Mr. Dijon DaCosta, Sr., District 6

Dear Members of the DeKalb Board of Education, Staff, Families, Students, and Citizens of DeKalb County,

I am pleased to present the FY2027 Annual Budget Book for the DeKalb County School District (DCSD). This budget reflects a disciplined and strategic approach to managing change while remaining committed to student success, operational excellence, and fiscal responsibility.

As student enrollment declines, we have made thoughtful adjustments to align resources with current needs while protecting classroom instruction and student support services. To maximize impact in schools, we chose not to backfill many Central Office vacancies for 2026–27 and have initiated an independent third-party review of all Central Office positions to help guide future implementation decisions. Our focus remains ensuring that every dollar supports student achievement. As such, this budget includes the recommendation to maintain FY2026's millage rate of 22.78 for FY2027, to demonstrate our fiscal stewardship and accountability to DeKalb County's taxpayers.

A key priority in this budget is the implementation of our Unified Literacy Plan: elevating early literacy to launch lifelong learning across the district. This budget also seeks to honor our employees by way of step increases and earlier matching retirement annuity contributions for those eligible.

Highlights include:

- Expanded literacy support through reading specialists in kindergarten through third grade, ensuring strong foundational reading skills for every student
- A Kindergarten paraprofessional allotted to each elementary school to better support early literacy
- Strategic resource alignment to maintain high-quality instruction despite enrollment shifts
- Step increases for eligible employees, reinforcing our commitment to attracting and retaining a high-quality workforce
- Set the vesting period at two years for all employees to qualify for the 2% 403(b) matching contribution

The FY2027 budget was guided by our commitment to meeting students' academic, social, and emotional needs; supporting high-quality teaching and learning; expanding access and opportunity; and preparing students for success in a changing world. This work reflects collaboration among district leadership, school administrators, staff, and community stakeholders.

A budget is more than a financial plan. It reflects our values and priorities. Even as we adapt to changing enrollment patterns, we remain steadfast in our mission to ensure every DeKalb scholar has the tools and opportunities to succeed.

Thank you for your continued support of the DeKalb County School District as we move forward together.

Dr. Norman C. Sauce III
Interim Superintendent of Schools

Introduction & Overview

DeKalb County
School District

Executive Summary

DeKalb County Board of Education was established in 1873 and is the third largest school district in the state of Georgia. DeKalb County School District serves over 90,265 students in 138 schools and programs and employs approximately 14,000 faculty and staff.

The budget enclosed is a representation of the Interim Superintendent and Board of Education's commitment to meet every student's academic, social, and emotional needs while supporting quality teaching and learning. The fiscal year 2027 budget for DeKalb County Board of Education, as proposed by Interim Superintendent, Dr. Norman C. Sauce III is presented in this document and is aligned to the mission, vision, and strategic goals of the Board of Education.

The proposed total budget for FY2027 is approximately \$2.27 billion for all funds including the General Fund. The proposed General Fund budget (operating budget) is \$1.69 billion reflecting an increase of 3.64% from the FY2026 budget.

Organizational Overview

1. Governance & Strategic Leadership

- Board of Education: A seven-member governing body responsible for policymaking and oversight.
- Interim Superintendent (CEO): Dr. Norman C. Sauce III leads daily operations and implements board policy.

2. Superintendent's Cabinet

Dr. Norman C. Sauce III's executive leadership team includes:

- Chief of Staff
- Chief Information Officer (CIO)
- Chief Operations Officer (COO)
- Chief Financial Officer (CFO)
- Chief Academic Officer (CAO)
- Chief of Wraparound Services
- Chief Legal Officer
- Chief of Schools
- Chief of Accountability & Research
- Chief Human Resources Officer
- Chief of Community Engagement, Innovation & Partnerships
- Chief of Student Services
- Chief of Access and Opportunity

These roles guide major district functions from academics and operations to community partnerships and legal affairs. Supporting these, a team of Deputy Chiefs ensures operational continuity and oversight, covering domains like operations, HR, finance, communications, and information technology.

3. Area Assistant Superintendents

DCSD is organized across seven areas, each overseen by an Area Assistant Superintendent, focused on: elementary (Areas 1–4), secondary schools (Areas 5-6), and specialty (Area 7).

4. Key Divisions & Departments

The district comprises several key operational areas, each aligned with divisional leadership:

- Teaching & Learning
- Access and Opportunity
- Accountability and Research
- Human Resources
- Finance
- Operations (includes transportation, and facilities)
- Information & Instructional Technology
- Legal Services
- Community Engagement & Innovative Partnerships
- Student Services
- Wraparound Services
- Schools & Leadership (which includes area teams and PD departments)

5. Division of Schools & Leadership

This division is central to operationalizing academic goals through:

- Area Teams: Each with Area Superintendent, Culture & Climate Coordinators, Lead Content Coordinators, and specialists in special education, English learners, and mental health.
- Leadership & Professional Development Departments: Focused on the instructional and leadership growth of adult learners across the district.

DeKalb County Schools Interim Superintendent

Dr. Norman C. Sauce III was appointed by the DeKalb County Board of Education to serve as Interim Superintendent of the DeKalb County School District in November 2025.

He recently served the DeKalb County School District (DCSD) as Chief of Student Services in February 2024. In this role, he supported and supervised the District's Departments of Exceptional Education, English Language Learners, Gifted Education, and Early Learning and Pre-K.

Dr. Sauce also served DCSD as Area Superintendent for High Schools. In that role, he supervised a team of academic and climate support personnel and principals for 22 of DeKalb County's high schools.

He also served DCSD as Region IV Superintendent. In that position, he supervised and supported the 17 schools and centers which then comprised DCSD's Region IV, and their principals. This role included supervision and responsibility for a Micro-Cabinet team, in their pursuits to facilitate success within Region IV schools and centers.

Before returning to DCSD in November 2022, Dr. Sauce served the Griffin-Spalding County School System (GSCS) in the position of Executive Director of Student Support Services and as Executive Director of Elementary Education.

Dr. Sauce also served as principal of Chamblee High School within DCSD and as an elementary principal within Fulton County Schools. He served as an assistant principal and social studies teacher at schools in his native Southern California before moving to Georgia.

Dr. Sauce currently serves on the Board of Directors for Communities in Schools Georgia: one of the most important non-profit connectors of families in need of wrap around services in the State. He previously served on the Board of Directors for The Lee Thompson Young Foundation: a leading non-profit in the national conversation around destigmatizing mental health.

He earned his Doctor of Education degree from the University of Southern California, his Master of Education degree from the University of California Los Angeles, and his Bachelor of Arts degree in History from California State University Long Beach. Dr. Sauce is the proud husband and father to his wife and twin boys.

The foundations of Dr. Sauce's leadership are relationships, receptiveness, and responsiveness. He embraces Connors and Smith's (2011) Results Pyramid, which posits that desired outcomes begin with ensuring stakeholders participate in desired experiences, which shape their beliefs, which influence their actions, which ultimately leads to our results.

Chief of Access & Opportunity	Dr. Triscilla Weaver
Interim Chief of Student Services	Mrs. Kiana King

BUDGETING PROCESS

BUDGET PLANNING

Budget planning activities include identifying, categorizing and prioritizing educational needs and forecasting resources to meet those needs. This step in the budgeting process incorporates goals and initiatives with input from the community, the Board, and multiple internal and external stakeholders.

BUDGET PREPARATION

DeKalb County Schools uses forecasted FTE data in its funding formula to develop school budgets. All organizational units formulate their budgets in the winter and spring each year. The primary sources of funding include:

- **State Revenue** – Anticipated QBE Allocations provided by the Georgia Department of Education (GaDOE) with considerations for the Governor's State of the State address and proposed budget
- **Local Revenue** – Approved DeKalb County School District property tax digest values provided by the DeKalb Tax Commissioner's Office

ANALYSIS & REVIEW

The Budget Oversight committee meets twice monthly throughout the budget development process to ensure compliance and adherence to the Board approved budget development calendar. Budget requests for the central departments and divisions are developed using the Munis/Touchpoint budget development software. The requests are reviewed by the Budget Department for completeness, accuracy and compliance with established budget assumptions. School budgets and departmental requests are combined to create a consolidated General Fund budget.

The consolidated General Fund Budget is presented to the Superintendent for review and edit prior to Board review. The considerations for the Consolidated General Fund budget include:

- **Actual and Projected Student Enrollment** – The Planning Dept. provides an estimate for student enrollment for the upcoming year.
- **Resource Allocation/Methodology Plan (RAMP)** – Preliminary allotments and staffing are determined based on actual enrollment as of October 2025. Projected enrollment for the next school year are taken into consideration in February 2026 to develop school budgets.
- **Department Budgets** - Departments developed budgets using their adopted FY26 budgets as a baseline and make incremental changes to support the District's strategic goals and initiatives.

ADOPTION & APPROVAL

Once the consolidated General Fund budget is accepted by the Superintendent, it is drafted for Board review and approval. The tentative budget reflects the results of an internal review of the budget requests conducted by the Superintendent, Chief Financial Officer, and Deputy Chief Financial Officer. After the Board's approval of the tentative budget, and before the approval and adoption of the final budget, the DeKalb Board of Education shall hold at least two public hearings to allow the public to have input on the proposed budget prior to adoption. After the budget hearings have been conducted, revisions can be made to reflect the inclusion of public input. Budget adoption is the final step.

IMPLEMENTATION

DeKalb County School District's fiscal year begins July 1st and concludes on June 30th of each year.

BUDGET MANAGEMENT

TRANSFERS OF APPROPRIATIONS (BUDGET TRANSFERS)

Budget transfers are permitted and managed through the Touchpoint accounting software system. Budget appropriation can be transferred in the following instances:

- Transfers from line item to line item within the same fund.
- Transfers from line item to line item within the same location/division.

These budget transfers are entered into the Touchpoint accounting system and approved through the identified approval workflow.

*Budget transfers between functions are limited and shall not result in an increase to any functional category greater than 10%. This limitation is laid out in board policy DC: Annual Operating Budget.

MONTHLY REVIEW & VARIANCES

Adequate budget appropriation authority is required prior to acquisition of goods or services to minimize negative variances. Upon completion of the monthly financial statements, appropriations are compared with month to date actual spending to determine year-to-date percentage of budget appropriation consumed.

MONTHLY FINANCIAL STATEMENTS

Monthly financial statements shall be prepared and provided to facilitate management control of financial operations and to provide full disclosure of the financial position of the school district.

FINANCIAL & COMPLIANCE AUDIT

In accordance with Georgia state law, and Board Policy DID: Audits, the Board shall have an annual independent audit of the financial records of DeKalb County School District (DCSD).

PURCHASING

Board Policy DJE: Purchasing guides all purchasing activity in the district and is the primary source of reference based upon DeKalb County Board of Education ("Board of Education") governance.

FINANCIAL RECORDS

In accordance with Board Policy DI: Accounting and Reporting, financial records are stored securely and maintained in compliance with mandatory records retention policies. Current and historical budgets are available on the DCSD website, www.dekalbschoolsga.org

DISTRICT BUDGET POLICIES & PROCEDURES

ORIGINAL ADOPTED DATE: 09/11/2000

LAST REVISED DATE: 12/14/2011

LAST REVIEWED DATE: 12/14/2011

Status:
ADOPTED

In accordance with Georgia law and State Board of Education policy, a budget for the DeKalb County School District shall be prepared annually and submitted to the DeKalb County Board of Education for approval. In keeping with sound fiscal operation, the school budget should be based on tax revenues to be received during the fiscal year of the proposed budget.

The Board shall adopt budgets for all fund types for the fiscal year. The fiscal year shall be the period corresponding to the fiscal year for the State Department of Education, which is the calendar period July 1 through June 30 of the succeeding calendar year.

The Superintendent shall annually prepare and submit to the Board a draft budget for the coming fiscal year. The draft budget shall be submitted to the Board in sufficient time to allow thorough review and discussion of estimated revenues and proposed expenditures and to complete the steps necessary to assure adoption of a final budget prior to July 1 of the fiscal year in question.

Each year, the Chief Financial Officer ("CFO") shall inform the Superintendent of the estimated increase or decrease in the tax digest, including information such as the current digest, estimated new digest, current tax dollars, estimated tax dollars, and percent of increase or decrease in digest and tax dollars.

In April of each year, the Superintendent shall present to the Board the estimated budgeted expenditures for special revenue, debt service, capital outlay, enterprise, and trust and agency funds and the preliminary operating budget.

The Superintendent shall make a prioritized list of new or expanded programs to be considered by the Board should the Board believe there is adequate financing to implement any or all of the suggested programs. During its budget work sessions, the Board may offer suggested changes, which the Superintendent may or may not consider in the proposed budget.

The Superintendent shall be authorized to operate the District under the financial provisions of the budget. The Superintendent shall present a financial statement to the Board for each calendar month showing a comparison between the actual receipts and expenditures and the budgeted receipts and expenditures.

The Superintendent may approve adjustments of less than ten percent of the amount budgeted for expenditures in any budget function for any fund. The Superintendent shall report to the Board concerning such adjustments not later than the next regular meeting of the Board. If at any time during the budget year expenditure of funds in any budget function for any fund is anticipated to exceed by ten percent or more the amount budgeted for that function in the Board-approved budget, the Superintendent must request a budget amendment by the Board to authorize the additional anticipated expenditures.

The CFO is responsible for the development and preparation of the annual school budget and its presentation in orderly form to the Superintendent, in keeping with the dates and schedule as required by the DeKalb County Board of Education and the Georgia Department of Education. The CFO also is responsible to the Superintendent for the preparation and submission of all necessary monthly, annual, and periodic financial reports.

Public hearings on the budget will be held during the month prior to the formal adoption of the budget to receive feedback from citizens on the proposed budget. There shall be at least fifteen days between the initial presentation of the proposed budget to the Board of Education and the formal adoption of the budget. Two public hearings are to be held between the initial presentation and formal adoption of the budget.

EDUCATION BUDGETING IN GEORGIA

The Georgia Department of Education (GaDOE) serves Georgia's 180+ kindergarten - 12th (K-12) grade public school districts. Led by State School Superintendent Richard Woods, GaDOE develops and governs the K-12 learning standards and currently serves 1.7 million students.

The FY 2027 budget proposal provides Georgia's public schools \$14.2 billion. Some programs saw an increase in funds and others experienced a decrease that led to a net increase of \$369 million. The proposal includes a \$43.5 million increase for QBE with a notable change to the employer contribution share of the Teachers Retirement System (TRS) percentage, and State Health Benefit Plan (SHBP). DeKalb County School District will absorb the difference between program increases and state funding through local property tax earnings. The proposed budget changes will be administered by the Georgia Department of Education's Budget Services department.

The Budget Services department prepares allocations for funding of the Quality Basic Education Formula based on data collected from local school systems regarding students and staffing, as well as for many of the state funded grant programs. The FY27 initial allotments for DeKalb County Schools are included herein. These allocations along with the Resource Allocation Methodology Plan (RAMP) will be used to provide staffing to all DeKalb County schools and centers.

Strategic Goals & Performance

DeKalb County
School District

MISSION & VISION

VISION

To prepare students for success as lifelong learners and responsible global citizens

MISSION

To promote the academic, social, and emotional growth of each student by fostering a safe, supportive, and engaging learning environment

CORE BELIEFS

We believe in:

- Meeting each student's academic, social, and emotional needs
- Supporting quality teaching and learning
- Creating equitable educational opportunities for all students
- Embracing cultural diversity

GOAL AREAS

- Student Academic Success with Equity and Access
- School, Family, and Community Engagement
- Recruit, Develop, and Retain Talent
- Culture and Climate
- Mental Health and Wellness
- Organizational Excellence

PORTRAIT OF A GRADUATE

- Reflective & Resilient Learner
- Globally Engaged Citizen
- Creative & Dynamic Learner
- Effective Collaborator
- Effective Communicator

STRATEGIC PLAN

CORE BELIEFS

We believe in:

- Meeting each student's academic, social, and emotional needs
- Supporting quality teaching and learning
- Creating equitable educational opportunities for all students
- Embracing cultural diversity

VISION STATEMENT

To prepare students for success as lifelong learners and responsible global citizens

MISSION STATEMENT

To promote the academic, social, and emotional growth of each student by fostering a safe, supportive, and engaging learning environment

PORTRAIT OF A GRADUATE

- Reflective & Resilient Learner
- Globally Engaged Citizen
- Creative & Dynamic Learner
- Effective Collaborator
- Effective Communicator

Reflective & Resilient Learner

- I can demonstrate knowledge of content skills and standards.
- I can evaluate potential outcomes of my actions by reflecting on successes, challenges, and make the appropriate shifts to accomplish personal and academic goals.
- I can hold myself accountable by utilizing organization and project management to achieve growth.
- I can persevere through productive failures and challenges to improve.
- I can demonstrate readiness through active civic engagement, enrollment, employment, entrepreneurship, or enlistment

Globally Engaged Citizen

- I can respect different cultures, perspectives, and beliefs.
- I can exercise compassion and empathy towards others.
- I can explore community and global issues from the perspectives of those most impacted and develop plausible solutions.
- I can employ a neutral and democratic process to arrive at decisions.

Creative & Dynamic Learner

- I can demonstrate curiosity, originality, inventiveness, and innovative problem-solving to create new things.
- I can dive deeply into an issue and consider multiple perspectives when addressing problems and developing new processes.
- I can take the appropriate risks and make adjustments based on lessons learned.
- I can evaluate information and challenge both my peers' thinking and my own.
- I can generate questions and elaborate on ideas to identify new solutions.

Effective Collaborator

- I can work with a diverse group to accomplish a common goal.
- I can give and receive meaningful feedback
- I can own personal responsibility for team outcomes.
- I can value and appreciate varying opinions and viewpoints of others

Effective Communicator

- I can articulate and share ideas clearly with respect.
- I can utilize different platforms to express ideas and thoughts.
- I can use technology effectively and responsibly.
- I can actively listen with an open mind and respect other ideas.

GOAL AREAS

- **Student Academic Success with Equity and Access**
- **School, Family, and Community Engagement**
- **Recruit, Develop, and Retain Talent**
- **Culture and Climate**
- **Mental Health and Wellness**
- **Organizational Excellence**

Goal Area 1:

Student Academic Success with Equity and Access

Performance Objectives:

- 1.1 Increase proficiency rates in literacy on district and state assessments for all students.
- 1.2 Increase proficiency rates in numeracy on district and state assessments for all students.
- 1.3 Increase the 4- and 5-year cohort graduation rates.
- 1.4 Ensure all students have equitable access to and support for academic programs and career pathways.
- 1.5 Improve student academic growth as measured by the College and Career Readiness Performance Index (CCRPI).
- 1.6 Enhance student proficiency in digital literacy skills using innovative technology.

Goal Area 2:

School, Family, and Community Engagement

Performance Objectives:

- 2.1 Strengthen family, school, and community engagement to establish clear, accessible, and relevant communication tailored to meet stakeholders' preferences.
- 2.2 Create opportunities for collaboration between the district, families, community partners, and businesses to foster partnerships to support district-wide initiatives.
- 2.3 Improve communication processes for stakeholders to ensure the flow of clear, timely, and relevant information.
- 2.4 Establish clear communication channels to effectively engage with multilingual families and provide equitable access to district and school information.

Goal Area 3:

Recruit, Develop, and Retain Talent

Performance Objectives:

- 3.1 Recruit and hire a diverse and highly qualified workforce that reflects a world-class, innovative talent pool.
- 3.2 Develop high performing staff to ensure quality teaching and learning outcomes, an innovative workforce, and visionary leaders.
- 3.3 Retain highly effective staff in critical needs positions to ensure the sustainability and efficiency of integral district programs and services.
- 3.4 Develop employee pipelines for key staff positions to ensure the long-term viability of essential programs and services.

Goal Area 4:

Culture and Climate

Performance Objectives:

- 4.1 Ensure all schools provide a safe, orderly, and supportive learning environment for all students and staff.
- 4.2 Implement restorative practice structures in all schools and increase the number of schools using Positive Behavioral Interventions and Supports (PBIS) programs each year.
- 4.3 Improve student attendance by creating a positive and engaging school experience.
- 4.4 Ensure all schools have staff trained in de-escalation techniques and Crisis Prevention Intervention (CPI) strategies.

Goal Area 5:

Mental Health and Wellness

Performance Objectives:

- 5.1 Create safe and supportive environments that promote positive mental health and wellness.

- 5.2 Increased awareness of factors that can impact mental health to foster well managed learning environments.
- 5.3 Increase mental health support staff to improve classroom behavior and peer relationships.
- 5.4 Expand staff participation in mental health professional learning opportunities.

Goal Area 6:

Organizational Excellence

Performance Objectives:

- 6.1 Provide clean, safe, and efficient school facilities for all students.
- 6.2 Deliver safe and efficient transportation services to all students.
- 6.3 Deliver efficient school nutrition services and healthy meals to all students.
- 6.4 Improve and maintain a secure, accessible, and equitable digital learning environment for all students.
- 6.5 Ensure excellent financial management of district resources

ALIGNMENT OF BUDGET TO GOALS

The alignment of our budget to the established goals of the school district is a critical aspect of ensuring that financial resources are allocated efficiently and effectively. This alignment is essential to fostering academic excellence, enhancing student support systems, and preparing students for successful futures. Below, we outline how our budget is directly connected to our strategic objectives, demonstrating a clear link between financial investments and our core educational priorities.

1. Academic Achievement and Excellence

Our primary goal is to enhance academic performance across all grade levels, ensuring that every student meets or exceeds state and national standards. The budget is designed to support this goal by allocating substantial resources to:

- **Instructional Materials and Technology:** A portion of the budget is directed toward purchasing up-to-date textbooks, digital learning tools, and other instructional materials. This ensures that teachers have access to the resources they need to deliver high-quality lessons and that students benefit from modern, interactive learning experiences.
- **Professional Development:** Funds are earmarked for ongoing professional development programs aimed at improving instructional practices. Teacher training in the use of differentiated instruction, technology integration, and formative assessments is vital for boosting student achievement.
- **Curriculum Development:** A portion of the budget supports curriculum design and updates, ensuring that it reflects best practices and aligns with state standards.

2. Student Progress and Growth

One of the most critical goals is to foster student growth, especially for students who are behind grade level or face learning challenges. Our budget reflects this goal by prioritizing:

- **Intervention Programs:** Significant funding is allocated to remedial and enrichment programs that cater to students who need additional support in subjects like reading, math, and science.
- **Special Education Services:** The budget provides for specialized instructional support for students with disabilities, ensuring they have access to resources such as paraprofessionals, assistive technology, and individualized learning plans.
- **Tutoring and After-School Programs:** Resources are also dedicated to providing tutoring services and after-school programs that support students' academic growth outside of regular school hours.

3. Closing the Achievement Gaps

Our district is committed to addressing and reducing achievement gaps among different student subgroups, including students from economically disadvantaged backgrounds, English Language Learners (ELL), and students with disabilities. The budget is strategically aligned to this goal through:

- **Equitable Distribution of Resources:** A portion of the budget is specifically targeted to schools and programs that serve at-risk students. This ensures that all students, regardless of their background, have the resources and support they need to succeed.
- **Cultural and Linguistic Support:** To support our ELL students, the budget funds language acquisition programs, professional development for teachers on culturally responsive pedagogy, and the hiring of bilingual staff members.
- **Support for Family Engagement:** We recognize the importance of family involvement in student success. The budget includes funds for community outreach programs and family engagement activities, designed to strengthen the partnership between home and school.

4. College and Career Readiness

Preparing students for college and careers is a central focus of our district's mission. The budget is aligned to this goal by funding:

- **Advanced Placement (AP) and Dual Enrollment Programs:** A significant portion of the budget supports the expansion of AP courses and dual enrollment opportunities, allowing high school students to earn college credits while still in school.
- **Career Pathways and Vocational Education:** We are investing in vocational training programs and partnerships with local businesses to create clear pathways for students interested in careers that do not require a four-year degree.
- **Guidance and Counseling Services:** To assist students in making informed decisions about their futures, the budget allocates resources for college and career counselors, as well as standardized test preparation services (SAT, ACT, etc.).

5. School Climate and Safety

A positive and safe school climate is foundational to student success. The budget reflects our commitment to fostering an environment where students feel safe, respected, and motivated to learn. Key areas of investment include:

- **Mental Health and Counseling Services:** The budget includes funding for additional counselors, social workers, and mental health programs to support students' emotional well-being and ensure they have the support they need to succeed academically and personally.
- **School Safety Initiatives:** Significant funding is directed toward improving school security measures, including investments in surveillance technology, safety drills, and staff training on emergency protocols.

6. Operational Efficiency and Sustainability

The district is committed to ensuring that financial resources are used efficiently, with a focus on operational sustainability. The budget includes funds for:

- **Energy Efficiency and Sustainability Projects:** We are investing in energy-efficient buildings and technologies, reducing long-term operational costs while contributing to environmental sustainability.
- **Technology Infrastructure:** With the increasing reliance on technology in education, the budget prioritizes investments in infrastructure that supports digital learning platforms, cybersecurity, and equitable access to devices for all students.

Financial Structure, Policy & Process

DeKalb County
School District

Fund Structure Overview

DeKalb County School District fund structure is categorized into:

General Fund: Operates day-to-day expenditures — covering salaries, instruction, administration, and core programs. For FY 2027, DCSD's general fund (its operating budget) is approximately \$1.69 billion, part of a larger \$2.28 billion all-funds budget

Capital Projects Funds: Facilitates construction, renovation, and major capital purchases. Funded by E-SPLOST sales tax, Georgia Department of Education capital outlay reimbursements (COP), internal Capital Improvement Fund, and selective donations

Debt Service Funds: Manage tax revenues or sales taxes legally restricted for servicing long-term debt (e.g., bonds) used for capital projects

Special Revenue Funds: Support specific purposes like federal Title I or other restricted grants (e.g., federal programs)

Basis of Budgeting vs Accounting

BUDGETING

DeKalb County School District primarily uses the modified accrual basis for its budgeting process — especially for its Governmental Funds such as:

- General Fund (daily operations)
- Capital Projects Fund
- Debt Service Fund
- Special Revenue Funds

Some characteristics of modified accrual basis in budgeting include:

- Revenues are recognized when they are measurable and available (usually within 60 days of year-end).
- Expenditures are recognized when the obligation is incurred, except for:
- Debt service (recognized when due)
- Capital outlay (recognized when contractually obligated)

ACCOUNTING

DeKalb County School District also uses the modified accrual basis for accounting activity. For any enterprise-type activities (e.g., internal service funds, nutrition services if applicable) and fiduciary activities (e.g., student activity funds):

- Revenues are recognized when earned, regardless of when received.
- Expenses are recognized when incurred, regardless of when paid.

Budget Amendment Process

A budget amendment is a formal reallocation or adjustment within DeKalb County School District's adopted budget. The process for approving a budget amendment includes:

1. District staff (Budget Department/Chief Finance Officer and Superintendent) identify the need for adjustments to the district's budget due to economic variables —such as changes in expenditures, reallocation of funding, or responding to cost increases.

2. A formal amendment proposal is drafted detailing intended reallocations.
3. The proposal is presented during a scheduled Board meeting. The DeKalb County School District Board of Education votes to approve, modify, or reject the amendment.
4. Consent by the board formally authorizes the change to the budget.

Long-Range Financial Planning

DeKalb County School District (DCSD) engages in structured longrange financial and capital planning to align projected enrollment, facility needs, programmatic goals, and funding sources.

1. **10-Year Master Planning & Needs Assessment** – DCSD publishes a 10-year draft master plan that forecasts student enrollment, identifies overcrowded facilities, underutilized buildings, and outlines infrastructure priorities across approximately 138 school sites.
2. **Funding Structure – ESPLOST Capital Plan** - To finance longterm facility and capital projects, DCSD relies heavily on the Education Special Purpose Local Option Sales Tax (ESPLOST): ESPLOST VI, approved in November 2021 by 81% of voters, provides about \$743 million for projects. Projects funded include new schools, security enhancements, technology updates, HVAC/roof upgrades, and school contingencies and program management.
3. **Program Management & Oversight** - Recently, DCSD contracted HPM, with partners Ameresco and Johnson Construction Services, to lead planning and program management for a \$1.5 billion capital improvement portfolio. Their responsibilities include:
 - a. Demographic and facility evaluations.
 - b. Budgeting and cost analyses.
 - c. Coordination of design/construction teams.
 - d. Ensuring projects stay on budget and on schedule across all phases

This integrated long-range planning approach allows DCSD to:

- Anticipate future needs rather than react.
- Spread capital investments over multiple years through voter-approved E-SPLOST revenues.
- Maintain public transparency via hearings and published drafts.
- Ensure that facility and operating budgets advance agreed-upon educational goals.

Revenue Forecasting Assumptions

The FY2027 budget aims to prioritize student services while exercising a thoughtful approach to forecasting in these uncertain financial times, ensuring the long-term sustainability of DeKalb County School District. The following assumptions were the guiding force behind the FY2027 revenue forecasting:

Property Tax Revenue

- **Base Millage Rate:** DCSD assumes adoption of a millage rate of 22.78 mills for FY2027, consistent with the FY2026 rate but still above the rollback rate of level (~22.780 mills), which legally triggers a required public hearing and is classified as a tax increase under Georgia law.
- **Tax Digest Growth:** Projected revenue assumes that the county's property tax digest will rise no greater than 3%, due to reassessments and new growth—meaning even with a lower millage rate, total tax revenue is expected to increase.

Inflation & Tax Digest Growth

- **Property Values:** DCSD modeling recognizes that increases in property values slightly outpace inflation.
- **Millage Rollback:** The millage rollback mechanism is calculated off last year's digest; the difference between rollback and adopted millage rates (even if decreasing) still yields an effective tax increase based on higher valuations.

Increase in Fixed Cost

- DCSD projects external cost increases for the following expenses:
 - Georgia Teacher Retirement - \$3.5 million
 - State Health Benefits - \$8 million

Fund Balance

- DCSD will draw approximately \$49 million from fund balance (reserves) to balance the FY2027 budget gaps.

DISTRICT BUDGET POLICIES & PROCEDURES

ORIGINAL ADOPTED DATE: 09/11/2000

LAST REVISED DATE: 12/14/2011

LAST REVIEWED DATE: 12/14/2011

Status:
ADOPTED

In accordance with Georgia law and State Board of Education policy, a budget for the DeKalb County School District shall be prepared annually and submitted to the DeKalb County Board of Education for approval. In keeping with sound fiscal operation, the school budget should be based on tax revenues to be received during the fiscal year of the proposed budget.

The Board shall adopt budgets for all fund types for the fiscal year. The fiscal year shall be the period corresponding to the fiscal year for the State Department of Education, which is the calendar period July 1 through June 30 of the succeeding calendar year.

The Superintendent shall annually prepare and submit to the Board a draft budget for the coming fiscal year. The draft budget shall be submitted to the Board in sufficient time to allow thorough review and discussion of estimated revenues and proposed expenditures and to complete the steps necessary to assure adoption of a final budget prior to July 1 of the fiscal year in question.

Each year, the Chief Financial Officer ("CFO") shall inform the Superintendent of the estimated increase or decrease in the tax digest, including information such as the current digest, estimated new digest, current tax dollars, estimated tax dollars, and percent of increase or decrease in digest and tax dollars.

In April of each year, the Superintendent shall present to the Board the estimated budgeted expenditures for special revenue, debt service, capital outlay, enterprise, and trust and agency funds and the preliminary operating budget.

The Superintendent shall make a prioritized list of new or expanded programs to be considered by the Board should the Board believe there is adequate financing to implement any or all of the suggested programs. During its budget work sessions, the Board may offer suggested changes, which the Superintendent may or may not consider in the proposed budget.

The Superintendent shall be authorized to operate the District under the financial provisions of the budget. The Superintendent shall present a financial statement the Board for each calendar month showing a comparison between the actual receipts and expenditures and the budgeted receipts and expenditures.

The Superintendent may approve adjustments of less than ten percent of the amount budgeted for expenditures in any budget function for any fund. The Superintendent shall report to the Board concerning such adjustments not later than the next regular meeting of the Board. If at any time during the budget year expenditure of funds in any budget function for any fund is anticipated to exceed by ten percent or more the amount budgeted for that function in the Board-approved budget, the Superintendent must request a budget amendment by the Board to authorize the additional anticipated expenditures.

The CFO is responsible for the development and preparation of the annual school budget and its presentation in orderly form to the Superintendent, in keeping with the dates and schedule as required by the DeKalb County Board of Education and the Georgia Department of Education. The CFO also is responsible to the Superintendent for the preparation and submission of all necessary monthly, annual, and periodic financial reports.

Public hearings on the budget will be held during the month prior to the formal adoption of the budget to receive feedback from citizens on the proposed budget. There shall be at least fifteen days between the initial presentation of the proposed budget to the Board of Education and the formal adoption of the budget. Two public hearings are to be held between the initial presentation and formal adoption of the budget.

If DCSD can invest more in retirement benefits, which option is most important to you? (Continued)

(N = 2,490)

Increase contributions for employees not covered by the Teachers Retirement System (TRS)—such as transportation staff, custodians, and food service assistants—while keeping the current match for other employees.

How much future funding should be dedicated to these valuable programs?

Given this level of investment, which statement do you agree with most?

Considering the context above, which statement do you agree with the most.

Financial Summaries

DeKalb County
School District

REVENUES

Revenue Source	Amount	Percentage
Property Taxes	\$1,027,750,638	50.3%
Sales Taxes	163,500,000	8.0%
State Funds	619,046,452	30.3%
Federal Funds	188,036,383	9.1%
Charges for Services	1,000,000	.1%
Investment Earnings	38,275,000	1.9%
Miscellaneous	6,635,251	.3%
	\$2,044,243,724	100%

PROPERTY TAXES - \$1.03 BILLION

The proposed FY2027 budget for Property Taxes was developed in consideration of approved DeKalb County School District, property tax values for calendar year 2026, as well other projections based off historical collections. Highlights include:

- General fund revenues of \$35.5 million are anticipated from automobile, Title Ad Valorem Taxes (TAVT). This amount has been increasing annually as the “birthday tax,” or traditional ad valorem automobile tax gets phased out.
- Local Property Taxes are scheduled to bring in \$989.0 million to the general fund. This amount is based on 3.1% growth in the overall digest value (1.6% from revaluations and 1.1% attributable to new growth from the construction of new homes and other properties within DeKalb) and maintaining the assessed millage rate of 22.78 mills.
- An additional \$3.25 million from local alcohol excise taxes are anticipated to benefit the general fund in the upcoming fiscal year.

SALES TAXES - \$163.5 MILLION

The proposed FY2027 budget for Sales Taxes was estimated using historical collections as well as known and anticipated conditions in the real estate market and national, state and local economy. Highlights include:

- General fund revenues from transfer and intangible taxes of \$7.5M. This area has declined steeply from historical collections but has stabilized over the last two years as the volume of real estate transactions continues to remain stagnant. Stubborn inflation and high interest rates have kept home values high, but homeowners are less likely to sell.
- Capital Project fund revenue from Special Purpose Local Option Sales Tax (SPLOST) of \$156 million.

STATE FUNDS - \$619.1 MILLION

The proposed FY2027 budget for State Funds was developed in consideration of anticipated Quality Basic Education (QBE) funds as reported by Georgia Department of Education (GaDOE) as well as the Governors proposed budget. Highlights include:

- Net general fund revenues from QBE of \$596.5 million representing an increase of \$8.3 million compared to the current fiscal year. The additional funding supports the increase cost associated with the State Health Benefit Plan (SHBP), adjusts for changes in student counts by program within the district, provides an additional \$4.4 million for literacy coaches, and raises the employer's contribution rate to the Teacher's Retirement System (TRS) from 21.91% to 22.32%.
- The district projects state revenues totaling \$22.6 million from Bright from the Start, the Pre-K program, and additional state initiatives. These funds are categorized within the district's non-major governmental funds.

FEDERAL FUNDS - \$188.0 MILLION

The FY2027 Federal Funds budget has been formulated based on federal awards received in the current fiscal year. Despite ongoing uncertainty at the federal level, the district's projected budget for FY2027 assumes funding levels comparable to those of the present year. As federal programs are allocated during FY2027, preliminary budgets will be adjusted to reflect the actual program budgets awarded after the fiscal year's commencement. Key highlights include:

- School Nutrition Fund revenue of \$89 million from the national school breakfast, lunch and snack programs.
- Non-Major Fund revenue of \$99 million from programs such as Title I, II, and IV, as well as IDEA.

INVESTMENT EARNINGS - \$38.3 MILLION

DeKalb County Schools has a formal treasury management strategy. Funds not needed to meet immediate cash flow requirements are invested in Georgia Fund 1, a local government investment pool administered by the State of Georgia, Office of the State Treasurer. For the month of March 2026, Georgia Fund 1 participants earned 3.7%. While this yield has gradually declined since June 2024, the District anticipates meaningful investment earnings throughout FY2027. Highlights include:

- General Fund earnings of \$20.0 million.
- Capital Project Fund earnings of \$18.3 million, which primarily benefits the two active SPLOST programs.

ALL OTHER REVENUE - \$7.6 MILLION

The proposed FY2027 budget for Charges for Services and Miscellaneous revenue are based solely on historical collections. Highlights include:

- Total Charges for Services of \$1.0 million, and
- Miscellaneous Revenue of \$6.6 million.

EXPENDITURES

SUMMARY OF FUNDS

Fund Group	Budgeted Expense		Description
General Fund	\$1,705,147,144	74.6%	The primary operating fund for the District. The focus of this budget is to support teaching and learning activities.
Capital Projects Fund	356,967,681	15.6%	Used for the acquisition or construction of capital facilities. This fund also includes tax proceeds from the (voter approved) education special purpose local option sales tax (SPLOST).
Debt Service Fund	0	0.0%	Used for the payment of principal and interest on general long-term debt.
School Nutrition	90,793,581	4.0%	Used for good as services required for the School Nutrition program.
Non-Major Governmental Funds	133,347,856	5.8%	Accounts for specific revenue sources that are legally restricted to expenditures for specific purposes. This fund reflects categorical grants like Title and vocational grants.
Total	\$2,265,778,881	100%	

GENERAL FUND

The FY2027 DeKalb County Schools budget includes planned, general fund expenses and transfers out to support other programs of \$1.71 billion. A few key initiatives are:

- State Health Benefit Plan (SHBP) Increase** – The Georgia Department of Community Health increased the employer contribution rate for the State Health Benefit Plan from \$1,885 to \$1,935 per month for each participating employee. As a result, the district's annual health insurance cost is projected to total \$23,220 per participating employee in FY2027. This rate change adds more than \$8 million to the district's budget. In addition, expected growth in employee participation is projected to increase costs by approximately \$4.5 million.

- **Teachers Retirement System (TRS) Increase** – The employer contribution rate for the Teacher Retirement System will increase from 21.91% in FY2026 to 22.32% in FY2027. This required rate change will add approximately \$3.5 million to the district's budget. Contribution rates are established through actuarial analysis and approved by the TRS Board of Trustees.
- **Step Advancement** – Although this budget does not include a cost-of-living adjustment to the salary schedule, it does fund step increases for eligible employees. Employees are placed on salary schedules based on their position and experience and may advance one step each year if they remain eligible. The projected cost of step advancement is \$5.0 million, and that amount is included in the FY2027 budget.
- **Horizon Area Support** - The FY2027 budget includes \$10.0 million to support the district's highest-need schools through additional staffing, professional learning, student support, and targeted programs beyond the district's Resource Allocation Method/Plan (RAMP). These schools are identified using the following categories:
 - o Comprehensive Support and Improvement (CSI): Title I schools identified every three years as the lowest performing based on Content Mastery, Progress, Closing Gaps, Readiness, and Graduation Rate.
 - o CSI- Graduation Rate: High schools identified every three years with a four-year adjusted cohort graduation rate of 67% or less.
 - o Additional Targeted Support and Improvement (ATSI): Schools that move from Targeted Support and Improvement status to Additional Targeted Support and Improvement status because subgroup performance falls below the threshold used for CSI identification. Schools are identified every three years.
 - o Targeted Support and Improvement (TSI): Schools identified annually based on the lowest subgroup performance in Content Mastery, Progress, Closing Gaps, Readiness, and Graduation Rate.
 - o Horizon Plus: Schools that have exited the Georgia Department of Education's state-identified list but continue to receive ongoing support and resources from DCSD.
- **Additional Special Education Lead Teacher Specialists (LTSE) and Special Education Teachers** – Following the identification of Horizon schools in FY2025, the district updated its Resource Allocation Method/Plan (RAMP) to provide one Lead Teacher Specialist for Exceptional Children (LTSE) at each Horizon school. In FY2026, that staffing model was expanded districtwide to all schools. In addition, nearly 50 special education teaching positions were added in FY2026 and will continue in FY2027. The combined ongoing cost for the additional LTSEs and special education teachers is \$9.6 million, which is included in the FY2027 budget.

- **Multi-Tiered Student Support (MTSS)** – During the COVID-19 pandemic, the district used federal relief funds to place one MTSS specialist in each school. That temporary federal funding ended early in FY2025 on September 30, 2024. Beginning in FY2026, these positions were transferred to the General Fund to maintain student support services. The FY2027 budget continues this investment at an estimated cost of \$15.5 million.
- **Literacy Coaches** – House Bill 1193, passed during the 2026 legislative session, provides funding to ensure that each school serving kindergarten through third grade has one literacy coach. This initiative is expected to increase both revenue and expenditures by approximately \$4.4 million, and that amount is included in the FY2027 budget.
- **Kindergarten Paraprofessionals** – To further strengthen the district's commitment to literacy, the FY2027 budget includes one additional general fund-supported paraprofessional at every school that serves kindergarten, at a cost of \$4.1 million.

The top three functional categories of planned expenditures for the General Fund are as follows:

General Fund Function	Amount	Percentage
Instruction	933,513,238	54.7%
Maintenance & Operation	223,498,188	13.1%
Pupil Services	136,279,421	8.0%
All Other Functions	411,856,297	24.2%
Total	1,705,147,144	100%

CAPITAL PROJECTS

The FY2027 DeKalb County Schools budget allocates \$357.0 million to Capital Projects Fund expenditures. These funds are multi-year and project-based, with budgets approved by the Board for each project spanning several years. The \$357.0 million outlined in the FY2027 budget reflects the projected annual expenditure for projects previously authorized by the Board. This annual figure will serve solely for reporting purposes and will not act as an expenditure control measure. Expenditure control for the Capital Projects Fund will be governed by the primary, multi-year, project-specific budgets. Most planned expenditures are expected to fall within the Facilities Acquisition & Construction functional category.

DEBT SERVICE FUND

At this time, the Board finances projects from existing cash flow and does not hold any general obligation bond debt or other types of long-term financing. This fund group is not applicable for FY2027.

SCHOOL NUTRITION FUND

The FY2027 DeKalb County Schools budget includes planned School Nutrition Fund expenses of \$90.8 million. This fund operates similarly to a business, meaning program revenue must support program expenses. These planned expenditures reflect routine costs for food, contracted services, and salaries and benefits for staff. All expenditures are expected to support the School Nutrition functional category.

NON-MAJOR GOVERNMENTAL FUND

The FY2027 DeKalb County Schools budget allocates \$133.3 million to Non-Major Governmental Fund expenditures. This fund group encompasses a range of state and federal grants, including Bright from the Start, the District's After School Program, Title I, II, III, IV, and IDEA. Predominantly, these programs operate on a reimbursement basis; the district incurs costs for designated purposes and subsequently seeks reimbursement from the respective granting agencies. Expenditures should not exceed revenues for the fiscal year, and both the initial and final fund balances are expected to be zero. Any deficit spending must be addressed through a transfer from the General Fund. The principal three functional categories within this fund group are:

Non-Major Funds by Function	Amount	Percentage
Instruction	\$58,608,176	44.0%
Instructional Staff Training	33,014,865	24.8%
Pupil Services	20,183,389	15.1%
All Other Functions	21,541,426	16.1%
Total	\$133,347,856	100%

Non-Major Funds by Program	Amount	Percent
120 - State Grants	\$ 12,644,545	9.48%
402 - Title I	50,070,239	37.55%
404 - Special Education	32,558,480	24.42%
406 - Vocational Education-Federal Funded	1,223,505	0.92%
414 - Title II	4,776,013	3.58%
432 Education Of Homeless Children	87,141	0.07%
460 - TITLE III	Sunset	0.00%
462 - TITLE IV	6,214,671	4.66%
482 - Jr. ROTC	4,395,504	3.30%
532 - GNETS - State And Federal Grants	2,282,562	1.71%
560 - Pre-Kindergarten (Lottery)	12,296,996	9.22%
580 - All Other Special Revenue	0	0.00%
581 - Undesignated	168,200	0.13%
582 - Local Grants	0	0.00%
589 - Governmental Funds _ ADESP	0	0.00%
607 - Athletics	6,630,000	4.96%
Total	\$133,347,856	100%

DESCRIPTION OF FUNCTIONS

INSTRUCTION: Instruction includes activities dealing directly with the interaction between teachers and students. Included here are the activities of aides or classroom assistants of any type (clerks, graders, teaching machines, etc.) which assist in the instructional process.

PUPIL SERVICES: Activities designed to assess and improve the well-being of students and to supplement the teaching process. Activities include guidance, counseling, testing, attendance, social work, health services, etc. Also include supplemental payments for additional duties such as coaching or supervising extracurricular activities.

IMPROVEMENT OF INSTRUCTIONAL SERVICES: Technical and logistical support activities designed to aid teachers in developing the curriculum, preparing and using special curriculum materials, and understanding the various techniques that stimulate and motivate students. These services facilitate, sustain, and enhance instruction techniques. Includes costs associated with technology personnel (Technology Specialists), contracted support services, systems planning and analysis, systems application development, network support services, and other technology-related costs that relate to the support of instructional activities.

INSTRUCTIONAL STAFF TRAINING: Activities associated with the professional development and training of instructional personnel. These include such activities as in-service training (including mentor teachers), workshops, conferences, demonstrations, courses for college credit (tuition reimbursement), and other activities related to the ongoing growth and development of instructional personnel.

EDUCATIONAL MEDIA SERVICES: Activities concerned with directing, managing and operating educational media centers. Included are school libraries, audio-visual services and educational television.

FEDERAL GRANT ADMINISTRATION: Activities concerned with the demands of Federal Programs grant management.

GENERAL ADMINISTRATION: Activities concerned with establishing and administering policy for operating the district. These include the activities of the members of the Board of Education. Local activities in interpretation of the laws and statutes and general liability situations are charged here, as are the activities of external auditors. Also recorded here are activities performed by the superintendent, administrative support personnel and deputy, associate, or assistant superintendent having overall administrative responsibility.

SCHOOL ADMINISTRATION: Activities concerned with overall administrative responsibility for school operations. Included are activities of principals, assistant principals, full time department chairpersons and clerical staff.

SUPPORT SERVICES - BUSINESS: Activities concerned with the fiscal operation of the district, including budgeting, financial and property accounting, payroll, inventory control, internal auditing and managing funds. Also included are purchasing, warehouse and distribution operations, and printing, publishing and duplicating operations.

MAINTENANCE AND OPERATION OF PLANT SERVICES: Activities concerned with keeping the physical plant open, comfortable, and safe for use, and keeping the grounds, buildings, and equipment in effective working condition and state of repair. This includes the activities of maintaining safety in buildings, on the grounds, and in the vicinity of schools. Property insurance expenditures are recorded in this function.

SCHOOL SAFETY AND SECURITY: Activities concerned with maintaining a safe and secure environment for students and staff. Include costs associated with security plan development and implementation, security monitoring devices, security personnel, security equipment, school crossing guards, school fire alarm and other monitors, and other costs incurred in an effort to ensure the basic security and safety of students and staff. Effective beginning FY 2025.

STUDENT TRANSPORTATION SERVICE: Activities concerned with the conveyance of students to and from school and trips to school activities. These activities include supervision of student transportation, vehicle operation, servicing and maintenance, bus monitoring and traffic direction. Transportation insurance expenditures are charged to this function.

SUPPORT SERVICES - CENTRAL: Central Office activities other than general administration and business services. Included are personnel services, data processing services, strategic planning including research, development and evaluation on a system-wide basis; and public relations activities, such as writing, editing and other preparation necessary to disseminate information to students, staff and the general public.

OTHER SUPPORT SERVICES: All other support services not properly classified elsewhere.

SCHOOL NUTRITION PROGRAM: Activities concerned with providing food to students and staff in a school or district. This service area includes the preparation and serving of regular and incidental meals or snacks in connection with school activities and delivery of food.

FACILITIES ACQUISITION AND CONSTRUCTION SERVICES: Activities concerned with the acquisition of land and buildings; renovating buildings; the construction of buildings and additions to buildings, initial installation or extension of service systems and other build-in equipment; and improvements to sites.

TRANSFERS TO OTHER FUNDS: Outlays which cannot be properly classified as expenditures, but require budgetary or accounting control, including transfers to other funds.

DIVISION DESCRIPTION

010 - Office of the Superintendent

- Central coordination and strategic alignment across divisions.
- Supports cross-functional initiatives and high-level planning.
- Home to Internal Audits and Public Safety.

015 – Board Executive Office

- Executive Office for the DeKalb County Board of Education

020 - Schools & Leadership

- Oversees geographic clusters of schools via seven area teams.
- Includes Area Superintendents, Culture & Climate Coordinators, Content Coordinators, and specialists in special education, English learners, and mental health.
- Also incorporates Leadership and Professional Development Departments, which support ongoing growth for school leaders and instructional staff.

026 – Community Engagement & Innovative Partnerships

- Grants & Partnerships: Secures funding and builds strategic partnerships to support school initiatives and programs.
- Family Engagement: Works to involve families in their children's education, providing resources and support to foster strong home-school connections.
- Communications: Manages internal and external communications to keep the community informed and engaged with the school district's activities and goals.
- DeKalb Schools Educational Foundation: Raises funds and provides financial support for various educational programs and initiatives within the district.

030 – Accountability & Continuous Improvement

- Supports data analysis, assessment oversight, performance benchmarking, and strategic evaluation

035 - Teaching and Learning

- Designs and oversees academic programming including core curriculum, STEAM, choice programs, and instructional standards.

040 – Facilities & Operations

- Designs and oversees academic programming including core curriculum, STEAM, choice programs, and instructional standards.

050 – Finance

- Manages budgeting, accounting, treasury, and financial planning across all funds.

060 – Human Resources

- Handles staffing, recruitment, benefits, compensation, and classification systems.

070 - Information and Instructional Technology

- Deploys technology platforms for instruction and operations, including digital tools and infrastructure.

080 – Legal Services

- Advises on legal matters, compliance, policy, contracts, and litigation.

090 – Wrap Around Services (Student Support & Intervention)

- Implements comprehensive support including health services, social supports, and community partnerships.

092 – Access & Opportunity

- Ensures equitable access to programs and resources across the student population.

094 - Student Services

- Provides support programs such as counseling, mental health services, special education coordination, and English learner services.

Compensation & Benefits Overview

Compensation & Benefits in the DeKalb County School District (DCSD) highlights the latest enhancements in staff compensation, retirement benefits, and support programs.

Teacher Compensation (FY2026–27)

- 2026–27 Teacher Salary Schedule (Slot E02 – base scale):
 - Starting salary (Step 1): **\$60,110**
 - Step increases continue annually, with Step 30 reaching **\$79,114**
- 2026–27 Teacher Salary Schedule (Slot E04–E07 – degrees):
 - Salaries vary by degree:
 - ✓ Bachelor's degree Example Step 9: **\$67,800**
 - ✓ Progressively increasing with degrees and steps—Up to **\$113,300** at upper levels

FY2026–27 Continuing Incentives

- Supplemental Retirement Match:
 - District offers a 2% match on employee 403(b) contributions for those meeting tenure requirements.
- Full Step:
 - Full step for all eligible DCSD employees.

Department / Program Budgets

DeKalb County
School District

DIVISION DESCRIPTION

010 - Office of the Superintendent

- Central coordination and strategic alignment across divisions.
- Supports cross-functional initiatives and high-level planning.
- Home to Internal Audits and Public Safety.

015 – Board Executive Office

- Executive Office for the DeKalb County Board of Education

020 - Schools & Leadership

- Oversees geographic clusters of schools via seven area teams.
- Includes Area Superintendents, Culture & Climate Coordinators, Content Coordinators, and specialists in special education, English learners, and mental health.
- Also incorporates Leadership and Professional Development Departments, which support ongoing growth for school leaders and instructional staff.

026 – Community Engagement & Innovative Partnership

- Grants & Partnerships: Secures funding and builds strategic partnerships to support school initiatives and programs.
- Family Engagement: Works to involve families in their children's education, providing resources and support to foster strong home-school connections.
- Communications: Manages internal and external communications to keep the community informed and engaged with the school district's activities and goals.
- DeKalb Schools Educational Foundation: Raises funds and provides financial support for various educational programs and initiatives within the district.

030 – Accountability & Continuous Improvement

- Supports data analysis, assessment oversight, performance benchmarking, and strategic evaluation

035 – Teaching & Learning

- Designs and oversees academic programming including core curriculum, STEAM, choice programs, and instructional standards.

040 – Facilities & Operations

- Designs and oversees academic programming including core curriculum, STEAM, choice programs, and instructional standards.

050 – Finance

- Manages budgeting, accounting, treasury, and financial planning across all funds.

060 – Human Resources

- Handles staffing, recruitment, benefits, compensation, and classification systems.

070 - Information and Instructional Technology

- Deploys technology platforms for instruction and operations, including digital tools and infrastructure.

080 – Legal Services

- Advises on legal matters, compliance, policy, contracts, and litigation.

090 – Wrap Around Services (Student Support & Intervention)

- Implements comprehensive support including health services, social supports, and community partnerships.

092 – Access & Opportunity

- Ensures equitable access to programs and resources across the student population.

094 - Student Services

- Provides support programs such as counseling, mental health services, special education coordination, and English learner services.

ABOUT THE SCHOOL ALLOTMENT GUIDELINES

The School Allotment Guidelines (SAG) is a document that houses all of DeKalb County School District (DCSD) staff allotment formulas. Formulas for earning positions are contained in this document. These positions include all teaching, support positions and special programs funded with the general budget. This document allows DCSD to manage and protect public funds through efficient and effective use of available resources.

INTRODUCTION

Each fiscal year as directed by the School Board, the DeKalb County School District (DCSD) develops allotment formulas and guidelines for all schools. This approach allows DCSD to continue to use an open budget development process, so school-based programs throughout DCSD are efficiently and equitably funded.

The school allotment formulas and guidelines are the responsibility of the Superintendent. In compiling the SAG, the Budget Department obtains necessary assistance and direct support from the Department of Budgets, Allotments and Scheduling. This department uses the Resource Allocation Methodology Plan (RAMP) as its foundational document, as well as receiving feedback from Curriculum and Instruction, Federal Programs, Exceptional Education and the Department of Facilities and Operation. A District-wide Allotment Meeting is held to review and provide feedback to the SAG before releasing the document to the public.

RESOURCE ALLOCATION METHODOLOGY PLAN (RAMP)

What is the RAMP?

The RAMP is a local district and GaDOE approved document which outlines the methodology and allotment formulas used to equitably distribute state and local funds to all schools in the district regardless of Title I status.

Provided by: The Division of Finance

School Based Budgets:

Based on these allotment guidelines, the Division of Finance develops school-based budget outputs. Principals and school leaders should understand the rationale behind the

development of the school budgets and be able to effectively communicate this rationale to the public they serve. Each principal works with their leadership team, Area Superintendent, and Principals Advisory Committee (PAC) to develop a budget that meets the needs of the specific student population at their school that aligns with the SAG and initiatives of the *2024-2029 Strategic Plan*.

Teacher allocations for special programs, such as Special Education, ESOL and Career Technical and Agriculture Education (CTAE) are based on needs as assessed by the various District Program Leads, as defined by the allotment formula for each of those areas. All formulas used in allotments are applied the same way to all schools regardless of a school's Title I status.

Staffing Flexibility:

DCSD uses site-based budgeting and site-based management through its "Bottom-Up" budget development approach. Each principal is fully empowered through a budgeting process that provides reasonable flexibility, high accountability, innovation, and results-driven budget recommendations aligned with each school's Allotment Sheet, strategic plan and the initiatives of the *2024-2029 Strategic Plan*. This flexibility, paired with accountability, enables principals to deploy staff according to their schools' needs. As part of this flexibility, additional personnel allotments may be used for other positions as long as the students' instructional goals and maximum class size are met.

BUDGET BASICS

The "Flexibility" icon  is used throughout this document to help principals easily identify where they have flexibility with their school budgets. Note: A Principal may still need to consult with the Office of Allotments, their Area Leadership Team, and Scheduling to determine if a position is flexible for their school.

Provided by: The Division of Finance

Principal Accountability:

The principal is responsible for the fiscal management of all funds included in the school budgets. Principals will be provided with a School Allotment Sheet for their school. The final School Allotments are distributed to principals in February prior to the next school year. The School Allotment Sheet allows principals to plan for the upcoming school year. This is especially important if the school must make personnel changes. Therefore, if a school loses allotments, personnel must be displaced and reassigned to another location. Principals should work with their Talent Acquisition Manager on the displacement of personnel.

On the other hand, if a school gains allotments, the principal will have time to recruit and hire new teachers. The Allotment Sheet provides principals with information relative to their most recent October FTE reporting cycle. Information may include earnings, department and program allotments, as well as historical data from the previous year for comparison purposes. The financial stability of a school is reflected in the management of resources, expenditures, accuracy of staffing records and overall judgment in the general management of all school allotment funds. It is the responsibility of the principal to conclude the school year with the school's allotment showing a zero or positive balance. No expenditures should be made in excess of the current budget and staff hired must correspond to the approved budgeted positions.

Principal Advisory Council (PAC):

The Principal Advisory Council is an integral component of DeKalb County School District's Strategic Waiver. PACs are responsible for setting and monitoring the strategic direction of the schools.

The PACs are responsible for the following:

- Approve the school's Continuous School Improvement Plan (CSIP)
- Provide feedback on the principal's performance
- Interface with the school's Title I committee (where applicable)
- Roll out of the annual CSIP and implementation

BUDGET BASICS

Title I Comparability:

Comparability is one indication that a school district is using its Title I funds to supplement and not supplant other funding sources it uses to educate students. Meeting comparability means that a school district provides services in its Title I schools which are at least comparable to services the school district provides in its non-Title I schools. Schools should not count on comparability allotments due to changes from year to year. All formulas used in allotments are to be applied the same way to all schools regardless of a school's Title I status.

Equitable application of the allotment formulas must result in school-based programs that are sufficiently and equitably funded. This allows DCSD to meet its Title I comparability requirements. Comparability is a requirement for receiving Title I funds. Meeting comparability is a federal, Title I Part A, requirement.

- There are multiple ways to meet comparability:
 - GaDOE has established the student/instructional staff ratio as the method for districts to use to determine comparability.
 - The number of students in a school is defined as the total enrollment in the school minus the pre-kindergarten enrollment in the school. When using student/instructional staff ratios to compare the average number of students per instructional staff in each Title I school with the average number of students per instructional staff in non-Title I schools, an LEA may consider a Title I school comparable if its average does not exceed 15 percent of the average of non-Title I schools (This was changed from 10% to 15% per GaDOE email dated January 15, 2021).
 - Resource Allocation Methodology Plan (RAMP)- A districtwide RAMP describes the methodology used to demonstrate the equitable distribution of state and local funds to all schools in the district regardless of Title I status. Additional factors that may be included in a District's RAM/P may be based on student characteristics such as poverty, limited English proficiency, or disability, etc. as is allowed through the section 1120A(c) of the Elementary and Secondary Education Act of 1965 (ESEA) which provides that an LEA may receive Title I, Part A funds only if it uses state and local funds to provide services in Title I schools that, taken as a whole, are at least comparable to the services provided in schools that are not receiving Title I funds.

Provided by: The Division of Finance

- There are no waivers for meeting comparability.

Comparability Timeline:

August-September

- DCSD Allotment/Staffing/Budget and Title I will obtain preliminary staff and enrollment information from appropriate district staff. An early determination of comparability would allow the district to make adjustments with the least amount of disruption.
- DCSD Allotment/Staffing/Budget and Title I will decide which calculation methodology to use in consultation with the GaDOE. Should there be a significant difference in the enrollments of schools within a grade span DCSD Title I office will consult with the GaDOE regarding the division enrollment to be used.
- DCSD will identify date and collection methodologies for gathering data needed to complete calculations.
- DCSD will conduct quality assurance audits of the staff and enrollment data sources.

October-November

- DCSD will collect, audit, and submit final collections as of the date-certain.
- DCSD will confirm final Certified Personnel Index (CPI) and Enrollment data with the GaDOE's online application and GaDOE Title Program staff.
- DCSD Allotment/Staffing/Budget will make final Comparability calculations based upon verified student enrollment and staff data (CPI).
- Where final determination indicates a need for additional staff at a Title I school, the district will provide the instructional staff to the Title I school no later

than December 1.

- DCSD Allotment/Staffing/Budget will share final Comparability calculations with Title I, Finance and HR as well as other departments as determined appropriate.
- DCSD Allotment/Staffing/Budget and Title I will maintain source documentation to

support the calculations and documentation to demonstrate that any needed adjustments to staff assignments were made annually to ensure compliance.

December

- DCSD will make determination to achieve comparability by reassigning staff, providing additional allotments or revising the RAMP.
- DCSD will notify Administrators of receiving and losing schools.
- DCSD will determine effective date of movement of staff.

Provided by: The Division of Finance

Average Salary & Benefits:

Salaries are calculated based on a district-wide average salary scale. Salaries are not adjusted based on the actual person occupying the position. Therefore, schools are not penalized for higher salaries, and schools cannot recoup funds for employees with salaries lower than the average salary. In addition, benefits are calculated using a standard base rate for the district. Schools will not recoup any portion of a position's benefits including employees not receiving benefits. Salary calculations are applied identically to all schools regardless of a school's Title I status.

The School Allotment Sheet:

DCSD annually develops a Consolidated Budget that reflects the Board of Education and the Superintendent's goals and priorities. To this end, the Finance Division annually develops a Budget that incorporates such goals and priorities with input from multiple internal and external stakeholders, while ensuring that all schools are equitably provided with the necessary resources to meet the unique needs of their students and stakeholders. Under State law, all final approved Budgets must be financially balanced and in place by July 1 to commence the fiscal year. Regular education allocations are based on October FTE earnings. Special education allotments are added to the allotment sheet in a separate section. This department manages their own allotments. Special Education allotments are based on the needs of students with disabilities at each school. Schools have the flexibility, with guidance from their Area Leadership Team, Curriculum and Instruction and Schools have the flexibility, with guidance from their Area Leadership Team, Curriculum and Instruction and Finance, to use additional instructional allotments to reduce homeroom class size, hire paraprofessionals or hire support teachers such as technology, foreign language and/or STEM to best support the instructional needs of their students. Once schools have their required number of teachers by grade, and/or course, Title I funds can be used to hire an additional/supplemental teacher to implement an action step/intervention that is noted in the local Continuous School Improvement Plan (CSIP).

Additional District Support:

The Board of Education and Superintendent approved the equitable provision of State and Local Funds to aid schools in meeting the schools' challenges. The greatest need was in academic achievement based on standardized assessment (CCRPI Score). Based on each school's CCRPI Score, schools were awarded additional funds in the form of personnel allotments to be added to the school's base allotment.

BUDGET BASICS

Student Enrollment:

The student enrollment and Full Time Equivalent (FTE) data will be used to determine the appropriate staff allocation earned for each school as determined by the formulas contained within both, the School Allotment Guidelines (SAG) as well as the Resource Allocation Methodology Plan (RAMP). It is the responsibility of each school principal to ensure that all student enrollment data is accurately reflected in Infinite Campus. This includes withdrawing students (with correct withdrawal codes) from the count who are not enrolled in school. Data accuracy and integrity is a critical component of the leveling process which allows the District to adjust staff allocations for schools that are over enrolled or under enrolled.

Supplements:

Employees who perform extra duties (e.g., grade-level chairpersons, department chairpersons, coaches, etc.) may be paid a supplement. The number of supplemented positions and amount of the supplements are determined annually by Human Resources/Total Rewards.

Substitutes:

Some positions are eligible for substitutes at a daily rate as determined by Human Resources. A STAR Substitute is a special designation substitute assigned at one school. They are hired by the principal and have a daily assignment at the school.

Non-Personnel Funds:

In addition to personnel earnings generated from the school allotment formulas and guidelines, schools also receive non-personnel funds. These funds include, but are not limited to, Athletic Services and per pupil allotments.

Personnel Staffing:

Teaching positions are non-flexible positions and cannot be converted for non-instructional purposes.

Charter Schools:

Funding for a charter school's instructional and administrative programs will comply with the Georgia Charter Schools Act of 1998, Article 31 of the Official Code of Georgia Annotated and applicable State Board of Education rules. DCSD start-up charter schools receive a proportionate share of the district's state and local revenue. The District shall

Provided by: The Division of Finance
fund charter schools pursuant to the funding formula provided by O.C.G.A. §20-2-2068.1(a)-(c). Charter Schools are funded no less favorably than traditional DeKalb County School District Schools. Charter Schools must comply with the District's Letter of Assurances, local and state law.

The Charter School is responsible for the hiring of all personnel required to implement the contract. The Charter School's hiring decisions may not cause the District to fail to meet federal comparability standards. The District will inform the Board each year if the Charter School's staffing practices need to be adjusted to meet federal comparability. Failure to follow District guidance may result in a federal fine.

BUDGET BASICS

DeKalb County School District Charter Schools are listed below.

DeKalb Agriculture Technology and Environment	Leadership Preparatory Academy
DeKalb PATH Academy	Tapestry Public Charter School
DeKalb Preparatory Academy	The Globe Academy
International Community School	The Museum School of Avondale Estates

Per Pupil Allocation:

The per-pupil allocation is a base allocation provided for each student enrolled at a school. The intent of the base is to provide an amount that is sufficient to cover essential needs at a school. The accounts used in determining this base amount includes costs for classroom, custodial, training, office supplies, library orders, materials, copier fees and maintenance, in-system travel, and postage. While schools do spend more on other costs such as technology and professional development, spending on these items vary significantly between schools, so they are not included in the determination of the base amount.

NON-TRADITIONAL COURSE OFFERING

Flex Academy of Excellence Virtual School:

Flex Academy of Excellence is a virtual learning program offered to DCSD middle and high school students to provide flexible options that meet diverse learning needs and promote excellence, success, and innovation. FLEX Academy offers online courses that can be scheduled both during the school day and after hours. This enables students to expand their

Provided by: The Division of Finance
learning day and gain credits that lead to graduation and college and career readiness.
Our course offerings include core academic and elective classes.

Currently, DCSD funds FLEX Academy enrollments through the Information Technology Department with no impact to local school budgets.

DCSD uses preregistration to monitor and forecast the number of online enrollments per semester. At the end of each year, the department of Information Technology updates its budget to reflect sustainable growth of online learning within DCSD.

FLEX ACADEMY OF EXCELLENCE VIRTUAL SCHOOL ALLOCATION

Enrollment does not directly impact staffing. The instructors are not coded in the system as teachers; they are listed as Virtual Learning Specialist. Flex Academy exist as a program and not a separate school. Therefore, the teacher/student allocation does not apply.

TEACHER ALLOCATIONS

Grades / Subjects	Min. Class Size	Max. Class Size
Regular Kindergarten	21	26
Regular Kindergarten w/Paraprofessional	21	28
Regular Grades 1-3	23	29
Grades 4-5	25	30
Grades 6-8	25	30
Grades 9-12	25	34

Elementary Schools

Pupil/General Ed Classroom Teacher Ratios:

Kindergarten: 26 to 1 (Maximum Class Size to 1 Teacher)

Total general education FTE ÷ 21 = # Teachers (rounded up to the nearest whole)

Grades 1-3: 29 to 1 (Maximum Class Size to 1 Teacher)

Total general education FTE ÷ 23 = # Teachers (each grade level is calculated separately; rounded to nearest whole).

Provided by: The Division of Finance

Grades 4-5: 30 to 1 (Maximum Class Size to 1 Teacher)

Total general education FTE ÷ 29 = # Teachers (each grade level is calculated separately, rounded to nearest whole).

Middle Schools

Pupil/General Ed. Classroom Teacher Ratios:

Grades 6-8: 34 to 1 (Maximum Class Size to 1 Teacher)

Total general education FTE ÷ 25.5 = # Teachers (rounded to the nearest whole)

High Schools

Pupil/General Ed. Classroom Teacher Ratios:

Grades 9-12: 34 to 1 (Maximum Class Size to 1 Teacher)

Total general education FTE ÷ 27.5 = # Teachers (rounded to the nearest whole)

Area Leadership Teams and Principals should closely monitor the enrollment changes and the master schedule for each high school to make the appropriate adjustments to the high school teaching allocations based on various factors such as smaller AP classes, maximum class size, etc.

TEACHER ALLOCATIONS

Gifted Liaison Resource Teachers:

Grades K-5 Maximum Class Size:	25
Grades 6-8 Maximum Class Size:	29
Grades 9-12 Maximum Class Size:	29

All schools receive a base allocation of .50 for gifted students. If the gifted enrollment is between 50-99, schools will receive a full-time gifted liaison teacher for a total of 1.00 allotment for gifted. Any number above 100 will receive an additional 1.0 allotment per 50 students not to exceed a maximum of 4.0 allotments to serve the additional gifted students.

The chart below provides gifted support based on the number of gifted students served.

Gifted Student Support

0 – 49 Students	.50
50 – 99 Students	1.00
100 – 149 Students	2.00
150 - 199 Students	3.00
200 & Above Students	4.00

SPECIAL PROGRAMS – PRE-KINDERGARTEN (K4)

NON-FLEXIBLE 

The DeKalb County School District (DCSD) offers lottery funded Georgia Pre-Kindergarten Program classes throughout the district. The Pre-Kindergarten program is funded by the Georgia State Lottery, governed by Bright from the Start. Each class must contain one full-time Lead Teacher and one full-time Paraprofessional. A 2:22 (lead teacher and para/student) ratio requirement per class is expected with a minimum requirement for funding of 2:18. Inclusion classrooms must contain one full-time Lead Teacher, one full-time Paraprofessional, and one full-time Exceptional Education Teacher. Inclusion classrooms have a ratio of 3:18 (lead teacher, para, and SE teacher/student) with 6 reserved seats for students with special needs. The classroom allotment is not based upon student enrollment.

SPECIAL PROGRAMS – PERSONNEL

NON-FLEXIBLE 

Positions	Allotment Formula
School Social Workers (All)	School Social Workers are employed at the district level and assigned to schools based on identified needs. Social Workers are currently assigned based on an allotment scale ranging from .25 to 1.0. Additionally, schools that demonstrated high social work referral rates may be allotted more based on a 3-year trend data.
School Psychologists (All)	A school psychologist is assigned to each school, including District charter locations and centers. Additionally, a school psychologist may be assigned to support more than one school. The allocation reflects the number of schools that school psychologist supports. These are itinerant positions, and staff are assigned to support schools based upon student need, allotted positions, and staff availability. The Department of Exceptional Education is responsible for hiring, assigning, supporting, and evaluating school psychologists.

Group V		
<i>Not applicable for teachers: Level V funding is earned when the SWD is placed in a GE class and receives additional services through a paraprofessional, interpreter, job coach or other assistive personnel.</i>		
Preschool/Kindergarten Special Education (ages 3-5, in Community [C], Full day, and Part day classes)		
8	N/A	
12	N/A	
NA	NA	
R = Resource (1-3 segments of service no matter the environment)		
SC = Self-Contained (4-6 segments of service no matter the environment)		

Students with special education eligibilities of Autism (AU), Traumatic Brain Injury (TBI), and Significantly Developmentally Delayed (SDD); are “served through” other designations, since there is no state maximum class size established. School staff indicates if the student is served as EBB, MID, or SLD, etc.

REGIONAL CLASSES:

The following guidelines are used to determine basic staffing allotments. Additional staff may be required in order to meet specific student academic, behavioral or medical needs.

- MID-SC classrooms
 - Elementary – 1 teacher and 1 paraprofessional allotment for every 7 students. A second para is added once 10 students are assigned to the class.
 - Middle/High – 1 teacher and 1 paraprofessional allotment will be provided per every 10 students. A second para will be added once 13 students are placed in the class.
- MID/MOID-SC classrooms
 - Elementary – 1 teacher and 1 paraprofessional allotment will be provided per every 5 students. A second para will be added once 10 students are placed in the class.
 - Middle/High – 1 teacher and 1 paraprofessional allotment will be provided per every 10 students. A second para will be added once 11

Provided by: The Division of Finance
students are placed in the class.

- MOID/SID-SC classrooms
 - Elementary – 1 teacher and 1 paraprofessional allotment will be provided per every 5 students. A second para will be added once 10 students are placed in the class.
 - Middle/High – 1 teacher and 1 paraprofessional allotment will be provided per every 10 students. A second para will be added once 11 students are placed in the class.
- S/PID-SC classrooms – 1 teacher and 1 paraprofessional allotment will be provided per every 4 students
- PSE and Kindergarten Special Education – SC classrooms – 1 teacher and 1 paraprofessional allotment will be provided per every 8 students; a second para is allotted once 10 students are in the class

Schools and Programs with Autism Spectrum Disorder Populations:

- Autism Program – For allocation of staff serving students with autism, the following guidelines are used to determine additional staffing allotments to meet the specific and unique academic, behavioral, or medical needs of students with autism. In a core content co-teaching setting, one additional teacher is allocated per a class size that exceeds 8 students. This allocation will only apply for schools with 50% or more of the school's population of students with disabilities who have an identified disability of autism spectrum disorder.

Paraprofessionals for category I-IV students in inclusive placements will be allotted based upon IEP team decisions and individual student needs.

Lead Teacher for Special Education (LTSE) Allotment:

LTSEs are assigned to schools using a weighted formula looking at 5 criteria from the previous school year: number of students with disabilities, number of comprehensive evaluations, number of transfer IEPs written, number of compliance cases in the building, and number of self-contained programs. Each criterion is assigned a point value. The total point value is determined by school, and the preliminary LTSE allocation is made. Because of the unique and individualized nature of special education programs and services, other factors may also have to be considered after the preliminary allocation is calculated before final allocations are made.

Provided by: The Division of Finance

LTSE Allocation Formula:

Prior to FY26, LTSEs were assigned to schools using a weighted formula looking at 5 criteria from the previous school year: number of students with disabilities, number of comprehensive evaluations, number of transfer IEPs written, number of compliance cases in the building, and number of self-contained programs. Each criterion was assigned a point value. School determined the total point value, and the preliminary LTSE allocation was made. Because of the unique and individualized nature of special education programs and services, other factors may also have been considered after the preliminary allocation was calculated before final allocations were made. Beginning FY26, one full-time LTSE will be assigned to each school.

Charter School Statutory Formula:

Charter schools play a significant role in expanding educational options for families throughout the State of Georgia. Within the DeKalb County School District, it is essential to recognize the structural differences between local charter schools and traditional public schools, particularly in terms of staffing, governance, and operational management.

Funding for charter schools in the DeKalb County School District (DCSD) adheres to the requirements set forth by the Georgia Charter Schools act of 1998, Article 31 of the Official Code of Georgia Annotated, and relevant State Board of Education (SBOE) regulations. The District allocates funds to charter schools in accordance with the state funding formula specified in O.C.G.A. § 20-2-2068.1 and applicable SBOE guidelines. DCSD start-up charter schools receive a proportional share of both state and local revenues, ensuring that they are funded on terms that are at least as favorable as those for traditional district schools.

Beyond the provision of state and local funding, the DeKalb County School District does not dictate or guide local charter schools in matters relating to staffing allocation. These charter schools operate with substantial autonomy and are legally distinct entities identified by their own Employer Identification Number (EIN). Consistent with standard practice among school districts, DeKalb does not exert authority over charter schools' staffing decisions, salary frameworks, instructional approaches, or daily operations. Accordingly, the district does not influence how charter schools assign personnel, develop programs, or administer educational facilities. As a result, it remains the district's practice to request that the Georgia Department of Education employ the Resource Allocation Methodology Plan (RAMP), and the information described above, to assess comparability whenever a charter school's staffing and resource utilization impact the comparability of local schools under Title I funding.

E

EIP	Education Instruction Plan
ELA	Athletic Director
ES	Elementary School
ESSA	Every Student Succeeds Act of 2015
ESOL	English for Speakers of Other Languages

F

Family Educational Rights and Privacy Act (FERPA)	The Family Educational Rights and Privacy Act 20 USC §1232(g).
Full-time Equivalent (FTE)	A student count consisting of six state funded segments per student authorized under O.C.G.A. §20 2 161.

G

GaDOE	Georgia Department of Education.
GE	General Education
GNETS	Georgia Network for Educational and Therapeutic Support

H

HS	High School
-----------	-------------

IB	International Baccalaureate
IDEA – Individuals with Disabilities Education Act	The federal law, codified at 20 U.S.C. §1400, et seq., that was enacted to ensure that all students with disabilities have available to them a free appropriate public education that emphasizes special education and related services designed to meet their unique needs and prepare them for employment and independent living; to ensure that the rights of students with disabilities and their parents are protected; to assist states, localities, educational service agencies, and federal agencies to provide for the education of students with disabilities; and to assess and ensure the effectiveness of efforts to educate students with disabilities.
IEP – Individualized Education Program	A written statement for each student with a disability that is developed, reviewed, and revised in accordance with Individuals with Disabilities Education Act, 20 U.S.C. §1414(d).
IRR	Interrelated Resource
ISS	In-School Suspension
IST	Instructional Support Teacher
ITBS	Iowa Test of Basic Skills

JAA/3DE	Junior Achievement Academy
JROTC	Junior Reserve Officer Training Corps

K

KSE-SC	Kindergarten Special Education Self Contained
---------------	---

L

LD	Learning Disabled
LD-R	Learning Disabled Resource
LD-SC	Learning Disabled Self Contained
LTSE	Lead Teacher Special Education

M

MID	Mild Intellectual Disability Resource
MID-SC	Mild Intellectual Disability Self Contained
MOID-SC	Moderate Intellectual Disability Self Contained
MS	Middle School

O

OI	Orthopedically Impairment
OI-R	Orthopedically Impairment Resource
OI-SC	Orthopedically Impairment Self Contained

P

Para Parent	Para-Professional A biological parent, legal guardian, custodian, or other person with legal authority to act on behalf of a child
PE	Physical Education
PID-SC	Profound Intellectual Disability Self Contain
PSE-SC	Pre-K Special Education Self Contained

Q

Quality Basic Education Formula QBE Formula	The State of Georgia funding formula used for determining the amount of state education funds a school district earns annually as described in O.C.G.A. §20-2-161.
--	--

R

RAMP	Resource Allocation Methodology Plan
REP	Remedial Education Program

S

SACS	Southern Association for Colleges and Schools
SC	Self-Contained
SDD	Significantly Developmentally Delayed
SID-SC	Severe Intellectual Disability Self Contained
