June 2026

Celebrating a Successful 2025 – 2026 School Year at Grant Elementary!

As the 2025 – 2026 school year comes to a close, I would like to extend my sincere gratitude to our students, staff, parents, families, and community members for helping make this school year such a tremendous success. This year brought unique opportunities and challenges as Grant Elementary remained under construction throughout the school year. THANK YOU to everyone for your patience, understanding, flexibility, and positive spirit as we navigated changes to routines, spaces, and daily operations. Your cooperation and support made a tremendous difference!

To our 6th grade students, congratulations on reaching this important milestone! We wish them the very best as they begin their next chapter at middle school. We hope they carry with them wonderful memories, lasting friendships, and meaningful experiences from their years at Grant Elementary, and that they will always look back on their elementary school years with fond memories. To our parents and families, thank you for your ongoing support, encouragement, and partnership throughout the school year. Your involvement plays an essential role in the success of our students and school community. A special THANKS goes out to our wonderful Grant PTO and the many parent volunteers who generously gave their time and talents to support Grant Elementary events, fundraisers, book fairs, and countless school activities. Your dedication and partnership help create meaningful experiences for our students and strengthen our school community!

This year, we also recognize and celebrate several staff members whose careers and contributions have left a lasting impact on Grant Elementary. CONGRATULATIONS and heartfelt thanks to Mrs. Faith Arndt (Kindergarten Teacher), Mr. Kevin Gilbertson (5th Grade Teacher), and Mr. Jon Tremelling (Head Custodian) on their retirements. We are deeply grateful for their many years of dedicated service, care, and commitment to students, staff, and families. We would also like to thank Mrs. Jordyn Jorgenson (3rd Grade Teacher), Mrs. Paige Dahlke (6th Grade Teacher), Mrs. Brittney Yadon (Music Teacher), Mr. Riley Gebelein (Phy Ed) and Ms. Sunny Rufsholm (Music Teacher) for their time, talents, and contributions to Grant Elementary. We wish them the very best in their future endeavors.

Finally, to the dedicated teachers and staff of Grant Elementary, THANK YOU for all that you do each and every day for students! Your commitment, compassion, professionalism, and unwavering support make a lasting difference in the lives of our children!

Thank you all for a wonderful school year! On behalf of the Grant Elementary Team, I would like to wish everyone a safe, relaxing, and enjoyable summer break!

Sincerely,
 Mr. Jeff Damrau
 Principal, Grant Elementary

A Note from your Assistant Principal

The students and staff enjoyed celebrating with our past Grant students who came back for one last visit prior to their graduation.

Senior Send-Off 2026

CONGRATULATIONS to our Seniors and to our current Sixth Graders moving into a new phase!

~Mrs. Banser, Assistant
Principal

(715)384-4747

Ext.2611

banserj@marshfieldschools.org

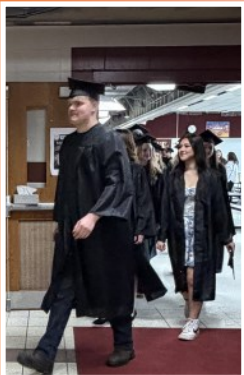

Proud staff Senior moms!

Marshfield 2026 Seniors came back to Grant Elementary to say a final goodbye while the current students lined the hallways to congratulate them. Seniors then teamed up to play one last game of dodgeball. Grant Elementary wishes all the Seniors best of luck in their future endeavors!

The Art Club finished out the year by taking a field trip to Board and Brush. This year students designed and created Valentine's to sell as a fundraiser for the club, they crafted clay bowls for Empty Bowls, and drew portraits of the animals for Oscar Rabbitt Rescue.

Mrs. Schultz and Mrs. Jorgensen's classes have been working together this year to make projects for the Ronald McDonald House and collected pop tabs to donate. The classes got to deliver the items and were rewarded with fun activities and treats at RMH!

1st grade held a poetry hour for their families. Some students wrote original poems while others selected published works to read.

6th grade showcased their musical talents during their spring concert.

6th GRADE TRACK & FIELD DAY

All 6th grade elementary classes in the district competed in track and field day. Many Grant students placed individually in several events earning medals and ribbons. Also placing from Grant Elementary was Ms. Faber's class with a 2nd place overall finish and Mrs. Bugar's class placing 2nd in the tug of war competition.

2nd Graders took a field trip to Mead Wildlife Center in Milladore for a day filled with outdoor education. Students learned about animal habitats and adaptations, along with fishing and hiking. We are grateful for the chaperones who joined us on this fun filled day.

MEAD WILDLIFE

Learning is fun

5th grade field trip to school forest

3rd
GRADE
FIELD
TRIPS

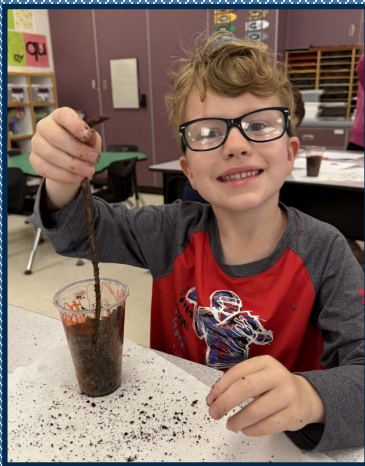

1st Grade enjoyed a beautiful day at the school forest. Some lucky students got to "push" their teachers in the pond as well!

1st Grade Fun

Kindergarten

Mrs. Arndt's final Kindergarten class finished out the year by taking a field trip to the school forest, having some fun water play outside and dressing in red, white and blue for America's 250th birthday.
