

2026-2027 Student Transfer Information

Student Assignment

Nederland Independent School District (NISD) is committed to providing an excellent, high quality academic experience for each student. According to Policy FDB (Local) ***“A student shall be assigned to a school in the attendance area in which he and she resides.”*** The District maintains a comprehensive student assignment plan that is designed to support excellent education for each student, safety of our students, the neighborhood schools concept, promote balanced enrollment, efficient use of facilities, and comply with legal requirements.

Intra-District Transfers

Currently, several campuses in Nederland ISD are contending with overcrowding due to shifts in housing patterns and changes in school-age populations in certain geographic locations. This imbalance has placed a strain on budgets, resources, and staffing levels.

Transfers are governed by Board Policy

Intra-district transfers (campus changes between district schools) and inter-district transfers (transfers of out-of-district students into NISD) are governed by board policy.

Transfers

Due to overcrowding, transfer requests are limited.

- Students who were approved for an intra-district transfer (campus change) in the 2025-2026 school year may remain at their current campus for the 2026-2027 school year.
- Students who are presently in or eligible for a unique instructional program or setting that is not offered at their home attendance zoned campus. (e.g. bilingual program, etc.)
- Children of district full-time employees. (application will be completed & reviewed annually in the case of inter-district transfer)
- Siblings of current transferred students will need an application completed and approval will be determined by space availability and conditions found on the application.

Transfer Request

- Transfer request forms are available at the administration building or on the District website at www.nederlandisd.org under the "Parents" tab. Parents desiring a new intra-district transfer or nonresident employee requesting an out-of-district transfer must complete the request form and submit it to the Administration Office for processing. Transfer requests must be approved by the principal of the home and receiving campuses in addition to the Assistant Superintendent. Every approved transfer student is required to maintain prompt and regular attendance and good conduct behavior.
- Transfer forms will be accepted until July 17, 2026.
- **A decision on a transfer request will be made prior to the first day of school.**

Revoke of Transfer

- The District reserves the right to immediately revoke any approved transfer, removing the student back to his/her home campus, due to the student's failure to comply with the Student Code of Conduct, applicable campus rules and/or attendance requirements.

I acknowledge that I have read and understand the transfer request form. I also understand that the transfer will not be processed without required documentation.
