Newmark Staffing Shifts

Dear Newmark Families,

As we prepare for the 2026–2027 school year, I would like to share a few staffing updates that will support our continued growth and strengthen services across both The Newmark School and Newmark High School.

Effective July 1, 2026, Ashlie Jernigan will oversee all enrollment efforts and family outreach for both programs. In this role, she will coordinate admissions, family communication, inquiries and student intake processes as we continue welcoming new families to Newmark. Ashlie will still be a part of our school counseling team and work with current students as needed.

In addition, Adam Goldberg will transition to The Newmark School program beginning this summer. We are excited to have Adam working more directly within our K–8 program with a specific focus on preparing our students for high school. Adam will be a valuable support to our students, families and staff.

We are also currently completing the hiring process for a counselor at Newmark High School, with the position expected to be in place by July 1, 2026.

Thank you for your continued trust, partnership and support of Newmark. We look forward to another successful school year together.

Warm regards,

Ms. Gina M. Borea, Principal
The Newmark School & Newmark High School

CC: Dr. Regina M. Peter, Executive Director
