b. Additional building unique identified Items:	None
Identify the barriers that must be overcome for each student to achieve grade level	There are not enough staff members to support student needs.
Identify the budget actions that should be taken to address and remove those barriers.	If Minneha could have more paras in the building it would support students needs.
Identify the amount of time the board estimates it will take for each student to achieve grade level proficiency on the state assessments if the budge actions would be implemented.	If we have enough people in the right places this action item could be achieved within the next five years.
