Why or why not?	After Site Council, Leadership Meeting, and Feedback from staff we have set a goal to improve our chronic absenteeism and tardy data. We have set goals and tasks to implement for the next ear to bring awareness to families and to monitor attendance data. After feedback we have also found that behavior of students is impacting student learning. We have a strong need to meet emotional and behavioral needs of students. This work is time intensive and needs the involvement of the a full time Psychologist and a full time Behavior Interventionist.
b. Additional building unique identified Items:	None
Identify the barriers that must be overcome for each student to achieve grade level proficiency on assessments.	We have a fluctuating foster care population. We can have anywhere from 10-25 foster students at any given time. These students come with emotional and behavioral needs that are often much greater than thier peers. Giving foster students the emotional and behavioral support they need in order to focus on work.
Identify the budget actions that should be taken to address and remove those barriers.	Full Time Behavior Intervention Teacher and Full Time Psychologist.
Identify the amount of time the board estimates it will take for each student to achieve grade level proficiency on the state assessments if the budge actions would be implemented.	Students with emotional and behavioral needs would show social, emotional and academic growth throughout each school year we were employed with a behavior teacher and psychologist.
