Do you have local assessments to measure math growth?                                                                            | Yes                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| m. Do you have Learning opportunities for students to focus on academic needs outside of the transitional classroom setting?        | Yes                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| n. Reviewing state assessment data, what steps are you taking for all students to maximize their scores?                            | The ELA teachers are using Fastbridge data to review and guide instruction. A small group of math teachers are reviewing student profiles and test data to guide instruction. Teachers also receive ongoing WICOR and IB teaching and learning strategies to implement with students.                                                                                                                                                                                                     |
| o. Have you set targets/goals to move students out of proficiency Levels 1 and 2 on state assessments?                              | Yes                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| SECTION 2: State Board of Education Outcomes (please utilize your district KESA (accreditation) and Star Recognitions plan/rubrics) | Response                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| a. How are you measuring social/emotional growth?                                                                                   | Teacher completion of SAEBRS screeners twice yearly. We have also began collecting baseline data through our Safety and Belonging Survey.                                                                                                                                                                                                                                                                                                                                                 |
| b. What are your targets/goals related to social/ emotional growth?                                                                 | Identifying the students who may have social/emotional needs and providing support through various school based-services.                                                                                                                                                                                                                                                                                                                                                                 |
| c. If you have Kindergarten in your school, how do you determine students are ready for                                             | N/A                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| d. What are your targets/goals related to kindergarten Readiness?                                                                   | N/A                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| e. How are you measuring the success of individual plans of study?                                                                  | Monitoring student engagement with and completion of activities in Xello, monitoring the increase of recorded post-secondary assets in our district Graduation+ application, and monitoring student and teacher engagement in monthly grad check activities.                                                                                                                                                                                                                              |
| f. What are your targets/goals related to postsecondary completion/attendance?                                                      | It is our goal for all our students to identify post-secondary paths that will help them become successful members of society. These pathways include college, technical school, military service, or entering the workforce directly after high school. Some of the tools that we use to help students acquire credentials that will help them be successful include, but are not limited to ACT Workkeys, Seal of Biliteracy, and assorted content specific credentials/certifications. |
| g. How are you ensuring students are civically engaged?                                                                             | Aces in the Community, IB CAS projects, voter registration opportunities, blood drives, JROTC activities, AVID Community Service projects, Empty Bowls, and other club-related community service or engagement activities.                                                                                                                                                                                                                                                                |
| SECTION 3: Curriculum Needs                                                                                                         | Response                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| a. What extended learning opportunities are provided (after school programs, summer school programs, etc.)?                         | Tutoring; Summer School; Extended Year; Interventions; Class Within a Class; Graduation Support;                                                                                                                                                                                                                                                                                                                                                                                          |
| b. Are there appropriate and adequate instructional materials?                                                                      | Yes                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| c. Is current technology appropriate? If no, what technology is needed to support the curriculum?                                   | Yes                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
