

# PROJECT **AWARE**

## Suicide Prevention Safety Training

Provided by the Carbon Lehigh Intermediate Unit #21

# QPR

(Question, Persuade, Refer)

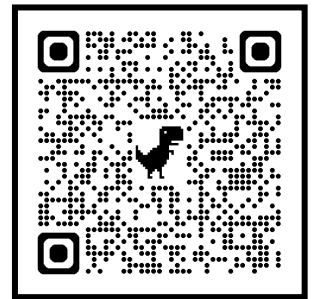

## QPR Training:

**Description:** This training is designed for community members, mental health practitioners, and others who are interested in learning how to respond to an individual who is experiencing suicidal ideation and/or crisis.

### Objectives:

- Learn how to ask whether someone is considering suicide or self-harm
- Offer support in finding professional mental and behavioral health services
- Understand how to refer others to local and accessible community supports and services

**Duration:** 90 minutes
