**HEWLETT-WOODMERE PUBLIC SCHOOLS
INSTRUCTIONS TO BIDDERS**

8. The bidder shall list the price per unit of each item which he proposes to furnish, deliver and/or install where called for on our bid form. VENDOR COMPUTER SHEETS OR OTHER FORMS WILL NOT BE ACCEPTED.

The successful bidder must agree that the bid prices submitted for each item will be binding until the end of the school year, June 30, 2027.

9. No charges will be allowed for federal, state or municipal sales and excise taxes, in that the Board of Education is exempt, therefrom. The price bid shall be net and shall not include the amount of any such tax. Exemption certificate, if required, will be furnished on forms provided by the bidder.

10. The item bid sheets reflect the total estimated district quantities of each item. The successful bidder must agree to deliver the items of the contract to the schools at times to be later designated by the Board of Education. Bagels and Specialty Bakes items are expected to be delivered to George W. Hewlett High School between the times of 6:00 AM – 6:45 AM on a daily basis. All items delivered must be separated and packaged according to the school name or in any manner as specified on the order. No charges will be allowed for expressage or cartage. **All bids must include delivery to the school or schools as directed.**

Title and risk of loss shall not pass from the contractor to the School District until the commodities have been received by the ordering agency and accepted by the School District. Mere acknowledgment by School District personnel of the delivery or receipt of goods (as in a signed bill of lading) shall not be deemed or construed as acceptance of the commodities received.

When commodities are rejected, the contractor from the premises of the ordering agency must remove them within ten (10) days of notification of rejection. Rejected items not removed by the contractor within said ten (10) days shall be regarded as abandoned by the contractor, and the School District shall have the right to dispose of the items as its own property. The contractor shall promptly reimburse the School District for any and all costs and expenses incurred in effecting removal and disposition.

DELIVERY - Commodities shall be securely and properly packed for shipment, storage and stocking in shipping containers and according to accepted commercial practice, without extra charge for packing materials, cases or other types of containers. The container shall become and remain the property of the agency unless otherwise specified in the bid specification document.

11. On all bid documents the words "or equal" are understood to apply where a brand name, trade name, catalog reference, or patented commodity is referenced. References to such specific commodities are intended as descriptive, not restrictive, unless otherwise stated. Comparable products will be considered if proof of

HEWLETT-WOODMERE PUBLIC SCHOOLS INSTRUCTIONS TO BIDDERS

comparability is provided including appropriate catalog excerpts, descriptive literature, specifications and test data, etc. The Board of Education's decision as to acceptance of the products as equal will be final.

SAMPLES - The Board of Education reserves the right to request from the bidder a representative sample(s) of the commodity offered at any time prior to or after award of contract. Unless otherwise instructed, the sample(s) shall be furnished within ten (10) days of the request. Failure to timely submit such sample(s) may be sufficient cause for rejecting a bid or canceling a contract. In every instance where a substitute item is submitted for bid, a sample must be furnished at the time of the bid opening and clearly marked for which bid item they are submitting an equal substitute. Samples must be submitted free of charge and be accompanied by the bidder's name and address, any descriptive literature relating to the commodity and a statement indicating how and where the sample is to be returned to the bidder.

Submission of a sample (whether or not such a sample is tested by the School District) and acceptance thereof by the School District shall not relieve the bidder from full compliance with all conditions and terms, performance related and otherwise, specified in the bid documents.

When an accepted sample meets or exceeds the minimum specifications included on bid form, all products delivered must be of the same quality and identity as the sample. Thereafter, in the event a bidder defaults, the School District may procure a commodity substantially equal to the specifications and from other sources, charging the bidder for any additional costs incurred.

If, in the judgment of the Board of Education, the sample submitted is not in accordance with the requirements prescribed in the bid document, the School District may reject the bid. If an award has been made, the Board of Education may cancel the contract at the expense of the contractors.

All samples are subject to tests in the manner and place designated by the Board of Education. Samples consumed or deemed useless by testing will not be returned to the bidder.

12. The Board of Education reserves the right to accept this bid by item or as a whole or, in its discretion, reject any or all bids and readvertise in the manner proved by Section 103 of the General Municipal Law. It also reserves the right to change the quantity or delete any item from the bid.

13. The School District will take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor area surplus firms are used when possible.

HEWLETT-WOODMERE PUBLIC SCHOOLS INSTRUCTIONS TO BIDDERS

14. The Board of Education reserves the right to make awards within forty-five (45) days after the date of the bid opening, during which period bids shall not be withdrawn pending the decision of the Board of Education. As required by Chapter 675 of the laws of 1966 amends Section 103-d of the General Municipal Law, it is necessary for each bidder to sign a non-collusive bidding certificate that is furnished herein.
10. As required by Chapter 675 of the laws of 1966 amends Section 103-d of the General Municipal Law, it is necessary for each bidder to sign a non-collusive bidding certificate that is furnished herein.
15. Any percent discount for award of total order or for payment within a certain time limit should be clearly shown on the summary sheet of the bid submitted.
16. Each successful bidder (contractor) furnishing a toxic substance as defined by Section 875 of the State Labor Law to an ordering agency, shall provide such agency with not less than two (2) copies of a material safety data sheet (MSDA), which sheet shall include for each substance the information outlined in Section 876 of the State Labor Law. Compliance with the attached notice regarding toxic substances is required of all bidders
17. The successful bidder will not discriminate against any employee because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by federal or state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the successful bidder.
18. Unless otherwise provided by statute, contracts shall be let to the lowest responsible bidder as will best promote the public interest, taking into consideration the reliability of the bidder, the qualities of the articles proposed to be supplied, their conformity with the specifications and the terms of delivery.
19. The bidder shall clearly state the minimum total order needed for shipping. This total should be a combination of all bids awarded to your company.
20. Buy American Compliance
As a sponsor of the National School Lunch Program (NSLP) and School Breakfast Programs (SBP), the School District will consider only applicable products which comply with the requirements of the "Buy American" Act.

The Buy American Provision

Section 104(d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 requires schools and institutions participating in the NSLP and SBP in the contiguous United States to purchase, to the maximum extent practicable, domestic commodities or products for the use in meals served under the programs.

HEWLETT-WOODMERE PUBLIC SCHOOLS INSTRUCTIONS TO BIDDERS

The legislation defines "domestic commodity or product" as one that is produced in the United States and is processed in the United States, substantially using agricultural commodities that are produced in the United States.

The report accompanying the legislation stipulated that "substantially" means over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

21. **TERMINATION FOR CONVENIENCE-** The School District may elect to terminate the contract with the successful vendor(s) for any reason or cause, without penalty from the vendor. Additionally, the successful Bidder may be assessed a reasonable penalty that will be used to assist the School District in finding alternative suppliers and re-issuing this solicitation if unable to fulfill contract.

22. In accordance with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333), as supplemented by the Regulations of the United States Department of Labor (29 C.F.R. Part 5), the vendor shall be required to compute the wages and hours of every mechanic and laborer, as applicable, on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in the work week.

NOTE: The Hewlett-Woodmere Union Free School District is in compliance with Title IX of the Education Amendments of 1972 and the rules and regulations of the Department of Health, Education and Welfare relating to Title IX.

During the term of the Contract, should the School District receive information that a Proposer/Contractor is in violation of the above-referenced certification, the School District will offer the person or entity an opportunity to respond. If the person or entity fails to demonstrate that he/she/it has ceased engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then the School District shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages or declaring the Proposer/Contractor in default. The School District reserves the right to reject any proposal or request for assignment for a Proposer/Contractor that appears on the Prohibited Entities List prior to the award of a contract and to pursue a responsibility review with respect to any Proposer/Contractor that is awarded a contract and subsequently appears on the Prohibited Entities List.
