MILLER MIDDLE RECERTIFIED AS LIGHTHOUSE SCHOOL

June 1, 2026

(MACON, GA) – Miller Fine Arts Magnet Middle School was recently recertified as a Leader in Me Lighthouse School, which is the highest level of the initiative's implementation. In 2022, Miller became the first middle school in the state of Georgia to reach this milestone.

"We are excited to continue growing through Leader in Me Lighthouse status," said Principal Shandreka Gibson. "As we guide our students from childhood into young adulthood, these leadership skills are an important part of developing them into productive and caring citizens."

Leader in Me schools teach students important skills to help them succeed throughout their entire life, including in the classroom to enhance their academic growth. The Bibb County School District first implemented Leader in Me in 2015, with the support of OneMacon's Business Education Partnership. Since then, 17 District schools have reached Lighthouse status.
