**The World's Largest  
Swimming Lesson™**

# WORLD'S LARGEST SWIMMING LESSON™

*Be a part of the biggest water safety event on the planet!*

Come out and join us for an amazing global event as we work together with waterparks, pools and recreation centers across six continents to share important swimming and water safety skills. Drowning is preventable, but sadly, it's the single LEADING cause of death for kids 1-4 and the second leading cause of unintended injury death for kids 5-14.

Sign up today and help tell the world *Swimming Lessons Save Lives!*

**Who:** Individuals aged 6 months and up. Caregiver is required in the water for ages 2 & under.
