STRANGE BUT TRUE?

SEAHORSES ARE STRANGE AND WONDERFUL CREATURES IN MANY WAYS. BUT HERE'S THE MOST ASTOUNDING THING ABOUT THEM: **THE FEMALE SEAHORSES DON'T HAVE THE BABIES - INSTEAD, THE MALE SEAHORSES DO.** THE FEMALE LAYS HER EGGS IN A SPECIAL POUCH ON THE MALE'S STOMACH, WHERE HE INCUBATES THE EGGS BEFORE HE DELIVERS THE BABIES!

What's the #1 favorite grilled food in America? To find out, trace a path through the maze, collecting letters as you go. Then, rearrange the letters you found on the right path to get the answer!

ANSWER:

"Two roads diverged in a wood, and I – I took the one less traveled by, And that has made all the difference."

– Robert Frost

Get outside. Keep your eyes open. And enjoy!

We look forward to serving you again next year!
