Your actual costs will be different depending on the actual care you receive, the prices your **providers** charge, and many other factors. Focus on the [cost-sharing](#) amounts ([deductible](#), [copayment](#) and [coinsurance](#)) and [excluded services](#) under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.
