28	29	30				

THE MONTROSE SPOTLIGHT

**"TOOLS OF THE MIND" THEME:
COMMUNITY HELPERS**

June 2026

At-Home Activities

- Work together to draw a map of your neighborhood. Use blocks or recycled boxes to build recognizable buildings like a hospital, fire station, or grocery store, and label them to support literacy
- Post Office: Set up a station with stamps (stickers), envelopes, and a "price list" for items. This integrates math as children count out "pennies" or play money to buy supplies
- Help your child create and send thank-you cards to local heroes like firefighters or delivery drivers to foster appreciation and social connection.

WHAT'S HAPPENING AT MONTROSE ECC?

1 We Went on a Field Trip

Students, staff, and volunteer chaperones climbed on the big, yellow, school busses and went on a field trip! The principal of South Orange Middle School, Dr. Lynn Irby-Hill, invited the Montrose ECC family to watch her students perform. Our students were mesmerized at the dancing and singing - they even got to join in the fun and go on stage with the performers! We had the best time!

2 The Danceathon

The Montrose ECC PTA's annual Danceathon was an absolute success! Their biggest fundraiser of the year brought out the families of our students to dance with them on a beautiful Friday morning. The students and families did dance moves from all eras - the Twist, Robot, Butterfly, and the Cha-cha Slide. Montrose ECC really knows how to get down!

Check out the "Gallery" on our website for more pictures of us at work and at play! You'll find pictures from our events and activities too!

MARK YOUR CALENDAR

June 2 Half Day for All Election Day	June 9 Fun Day (June 10 - Rain Date)	June 10 Open House, 6p (New Families ONLY)	June 12 Moving Up Ceremony 9:15am
