2025-26 Impact Report

2025-26 Impact Report

Student Field Trip Reflection

Takeaway data about student-attended field trips in 2025-26:

- The majority of attendees are freshmen (37%), followed by juniors (30%) and sophomores (28%)
- 87% of attendees feel the event was a good use of their time & attention
- 80% of those who attend field trips learn about careers they weren't previously aware of, and 86% discover opportunities they may be interested in pursuing

Student Field Trip Reflection

"I thought it was a great experience for
future job opportunities."

"This was a blast and I'd love to see and go
to more of these events!"

"It was good, needs a better lunch."
