Olympic Attendance Challenge

Let's Fill the Star Jar

Countdown to Summer: Let's Fill the Star Jar!

We're in the home stretch—**only 10 school days left**—and our **Attendance Star Jar** is making a grand finale comeback!

All year long, we've been earning stars by meeting our attendance goals:

- ✓ **93% of students at school**
- ✓ **94% arriving on time**

Each day we meet *both*, we drop a STAR into our jar in the foyer for everyone to cheer on!

For this final push, we've set a fun challenge:

- ★ **Goal: Earn 5 stars**
- ★ **Prize: An extra recess to celebrate the end of the year!**

Students will continue to hear daily updates during morning announcements about our progress - how many stars we've earned, how many we still need, and what we're working toward. Our foyer display will be updated as we go, so families can track it too.

Thank you for helping your child get to school and arrive on time. Your partnership makes a huge difference, especially this time of year. Let's finish

Lost & Found

Wow, those coats/jackets look so nice. But, did you put your name on it? Most forget this little step. It makes it much quicker and easier to locate missing items when the student's name is written in/on the item. Items without names are kept in Lost & Found rack. Please check the rack for missing coats. At the end of the year unclaimed coats will be donated.
