    - Section 2: Barriers to possession of ASB cards
    - Section 3: Barriers to student participation and extracurricular activities
  - Plan of Action:
    - 26-27 Data  26-27 Participation Data for Gap Plan.pdf
    - 26-27 Worksheet  26-27 Gap Plan Worksheet.pdf
  - Student population, 2,456 students
  - Gap of 9%, want to be 0%
  - Wants to ensure that low-income students have access to school activities
  - Barriers to people participating;
    - Lack of parent/family support
    - Accessibility in sports
    - Is being cut from sports included in that gap?
    - The student's energy
    - Transportation accessibility
  - Barriers to the ASB card:
    - Lack of interest
    - Cost of the card
    - Absolute necessity of the card → benefits
  - Solutions → better advertising, posters year round, WTV news
