   Must submit discussion items to Brandon Canady in order to be on the next meeting agenda.

3. **Subcomitees**

- **Child Nutrition:**

  Will be creating a member chat group to stay in communication and further discuss the wellness policy and annual assement.

- **Staff Wellness:**

  Look into Facilitating a staff health fair.
  Reach out to HR and start the process of reaching out to providers to assist with staff health needs.
  Create a staff survey to hear their health needs.
  Help to bring in screening for BMI and bone density.
  Ways we could promote vaccines for staff members.

- **Parent and Community Engagement:**

  Ideas for how to reach parents who would like to be involved and to ensure that parents are informed of their options (school committees, etc.)

1. Use social media to show committees, including dates and deadlines to apply
2. Streamline applications school-wide for communication
3. Have a booth at parent orientation, first day of school, etc. to showcase for parent involvement and volunteering information.
4. Have a district reminder
5. Have a "get involved" link on the LHISD main website for parents/guardians.
6. Include at the bottom of teachers' emails a link for getting involved. This link would go to the "get involved" section of the LHISD website with all relevant committees and information on those committees.

Community engagement should not include personal agendas, including the PTO, decorations, etc

How can the schools get information out to parents on trends, issues the school sees, etc.?
