

Mrs. Hibbard's Notes

It's hard to believe it's already June and we're finishing out our 2025-2026 school year. Our students have shown so much growth throughout the year and we're so proud of them! Thank you, families, for supporting your student and our school. It's been a great year!

We are looking forward to Field Days to be held on Monday, June 22. Thank you to the PTO who will be providing a pizza lunch (and ice cream treat) to all of our students! Students should be sure to bring a water bottle. Sometimes the field gets wet from rain and/or water balloons. Please feel free to have your child wear old clothes/sneakers and send a change of clothing and footwear. If it's sunny, don't forget the sunscreen!

The PTO would also like to thank all of the volunteers who helped at events throughout the year. PTO is still looking for members for next year! Our last meeting is June 10 at 6:00 pm in the library — hope to see you there!

We will be holding 2 end-of-the-year events. For families of 3rd & 4th graders, please see the information on pages 4 & 5 about our "Leveled Up" event on June 18 (this flyer was also sent home). 5th grade graduation and awards will be held on June 24 at 9:30 am (see page 6 for information). Please watch your child's folder and Parent Square for more information about these events and many upcoming field trips.

I hope you all have a wonderful and safe summer. Please continue to read with your students and talk about their reading — building this habit is one of the best things you can do to help your student succeed. -Mrs. Hibbard

Important Information from our Health Office!

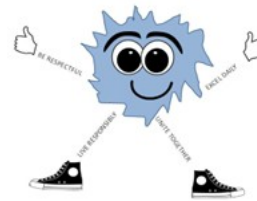

Dear Parent/Guardian:

New York State Education Law allows for sunscreen in the school setting with the following conditions:

1. Parent/Guardian provides and allows the student to self-carry sunscreen to school.
2. Must provide FDA approved sunscreen for the use of avoiding overexposure to the sun and not for medical treatment of an injury or illness. **Aerosol/spray sunscreens are NOT permitted at school.**
3. Please be aware that your child will need to apply the sunscreen to themselves. Staff members are not allowed to apply the sunscreen.
4. Due to allergy and safety precautions, please make sure your student knows they cannot share their sunscreen with other students.

Please be aware the school will not be able to provide sunscreen to your child, it must be provided by the parent/guardian. Please call the health office with any questions!

All of our 4th grade students were lucky to learn about Memorial Day from Mr. Evans and Ms. Swick. Students were interested in the presentation and made great connections to their own family's experience in the military. Some 4th graders were even inspired to march in the Memorial Day Parade!

Our BLUE Bash theme last month was Unite Together! . We were lucky to have Sensei John unite us through some karate moves and remind us of the importance of being respectful and responsible all summer long!
