

Hello Fifth Grader!

We are looking forward to an exciting new year filled with learning, laughter, and fun! Our journey will begin on Tuesday, September 8, 2026.

This year will be a big transition since this is the first time you will be exposed to departmentalization, where you move from class to class for different subjects. In order to help you be prepared and remain organized, we ask that you bring the following items on the first day of school:

- supply pouch
- pencils for the year
- at least 5 extra strength glue sticks for the year (all subjects/used almost every day in math)
- 1 black and white 100 page composition notebook (ELA)
- 1 spiral notebook- letter size (ELA)
- 1 spiral notebook (science)
- 1 folder (science)
- colored pencils
- colored pens
- thin Expo markers (math)
- scissors
- 1 bottle of wet glue
- 2 pairs of inexpensive wired headphones or earbuds (no wireless)
- optional- Tissues are always greatly appreciated if you would like to donate a box!

We look forward to seeing your smiling face on the 8th. It's going to be a great year!

Sincerely,

The Fifth Grade Team
