

Student loans, handled.

Georgetown ISD + Finnita

As an employee of Georgetown ISD, you have access to Finnita — a benefit that enrolls you into the federal programs that can reduce your monthly student loan payments and provide forgiveness. Staff at qualifying institutions may be eligible for significant loan forgiveness.

\$468/mo

average savings per customer

98%

enrollment success rate

100%

refund guarantee

Every year you've worked counts

PSLF can forgive your remaining federal student loan balance after 10 years of qualifying payments. Georgetown ISD qualifies — and the clock started the day you were hired.

CUSTOMER STORY

Cynthia saved \$659 a month — and she's on track for full loan forgiveness

Cynthia is a 6th grade teacher with \$202,000 in student loan debt. Before Finnita, she was on the standard repayment plan paying \$1,046/month — and didn't know she was eligible for forgiveness.

BEFORE FINNITA	AFTER FINNITA
\$1,046/mo payment	\$387/mo payment
Standard repayment	PSLF enrollment
No forgiveness path	\$164,518 projected forgiveness
0 qualifying years credited	1 year credited, 9 remaining

OUR PROMISE — WHAT FINNITA WILL NEVER DO

Never refinance your loans

Refinancing strips federal benefits. Your loans stay federal — and so does your forgiveness path.

Never service your loans

Your servicer relationship stays exactly as it is. We don't take it over.

Never collect your savings

Your savings go directly to you. Finnita never touches your loan payments.

Check your savings — it takes 60 seconds

How to get started

1

Have these ready

- Annual income (gross annual income, only for you)
- Household size*
- Tax filing status (e.g. single, married jointly, married separately; tax return not needed)
- Employer category (e.g., Education, Healthcare, etc.)
- Years in PSLF-eligible employment
- Federal student loan file (.txt) from studentaid.gov

2

Visit

register.finnita.com/?client=12204

3

Get assessed

60 seconds to see your savings. Another 60 seconds to complete signup.

**Household size (DoE definition): you, your spouse, your kids, and anyone who lives in your household that you support at least 50% of the time — even if you don't claim them on your taxes.*

Downloading your federal student loan file

1. Visit StudentAid.gov
2. Log in with your FSA ID
3. Go to "My Aid" → "Download My Aid Data"
4. Download the .txt file

ENROLLED, NOT JUST INFORMED

What Finnita handles for you

Optimized application

We pick the program that saves you the most and structure your application for the best outcome.

Continuous monitoring

We track program changes and adjust your enrollment proactively — so you don't miss a thing.

Annual recertification

CRITICAL

Miss a recertification and you lose everything. We manage every one so you never have to worry.

Benefit protection

If anything changes with your loans, income, or program rules, we're on it — keeping your benefits intact.

“

I was sick with worry about how I was going to pay my loans having a low income. This program made it so easy and stress free for me.

— Stephanie B., Kennett School Systems

“

Chelsea was awesome! She was professional, encouraging, patient and very timely. She followed up immediately when confirming that my loan had been forgiven. I never experienced anything but positivity.

— Shirley Y., Kansas City Public School System

“

Customer service was phenomenal! I was so impressed at how quickly my answers would come when I had questions!

— Debbie, Harmony ISD
