The altar and ambo have been moved to their new positions in the sanctuary. All Narthex ceilings and floors have been removed. The new entry way to the church is being reinforced with steel beams as the old columns are coming down.

The Cornerstone Project *Update #2*

UNDER CONSTRUCTION

The baptismal font renderings are finally in! With a few tweaks to go in the design, we are excited to share the details. The font will be made of white Carrara marble and will have four etchings: two crosses, a V+J facing the Sanctuary, and an Alpha and Omega facing the Narthex. The scripture verse to be etched along the top rim of the font will be from Matthew 28:19, "Baptize them in the name of the Father, and of the Son, and of the Holy Spirit." The font will be installed at the new entry from the Narthex into the Church.
