Correspondence: None

Reports:

Superintendent: Millage passed overwhelmingly. The ballot language is in for the August election. TWEA testing to be completed by the end of the school year. One more teacher evaluation to take place before the end of the school year.

Teacher: It is hard to believe that we are in the last full month of school for the 2025-2026 season! Last week, we enjoyed a field trip to Little Bear Arena in St. Ignace for a Unified Champions EUP special event. We played various sports activities, ate lunch, and participated in a MyK competition with a couple hundred students from surrounding schools. It was a great event!

My student has been working hard on a variety of skills and topics, including decoding new vocabulary words, learning about the particles of matter, understanding an author's purpose for information, and comparing fractions. We've learned about Mars, how to use semi colons, and practiced how to measure mass and volume in science. We honored Earth Day with a variety of related curricula activities and walked the south shore to pick up trash. We celebrated Cinco De Mayo with a taco party at lunch time. We've read outside in the sunshine and completed M-Step testing. This Thursday, we will be joining Tahquamenon Area Schools for a field trip to the Garland Zoo in the U.P. Next week, we will complete the NWEA testing. It has been a fantastic year!

Parks Committee: No new information.

MICIP: The last meeting of the year was last Friday. The meetings continue to be informative and productive. The next meeting is 9/2/2026

Old Business: None

New Business:

Teacher Contract: tabled to June meeting.

Custodial Contract: Approved as written.

Public hearing for 2026-27 budget notice: June 9 at 3:45 pm prior to regular meeting.

Board Comments: None

Public Comments: None

Other Business: None

Adjournment: 4:23 pm

Respectively Submitted

Linda C. Wells, Secretary.
