June 2, 2026

Dear Parent:

Your child/children will be considered to be eligible for transportation to his/her assigned non-public school. However, State law authorizes public school districts to determine whether or not it is impractical to transport a child assigned to a non-public school. In those instances where such a determination is made, the public Board of Education may offer a parent payment in place of providing transportation.

As the Board of Education considers your request for a "Parental Contract." Please complete, sign and return the attached "Payment in Lieu of Transportation" in the enclosed envelope by June 30,2026. The school your child/children attend will be contacted to confirm that your child/children is/are enrolled there during the 2026-2027 school year.

If you choose to complete this application, please understand that you will be responsible for the transportation to and from your child/children's school of attendance. In return, you will be reimbursed at a rate the State Department of Transportation has established for the per pupil cost of transportation at the conclusion of the school year.

Forms must be returned by June 30, 2026. If you have any questions, please contact Cathy Baltus at 440-943-7773 or email cathy.baltus@wickliffecsd.org

Sincerely,

Cathy Baltus
