

SUMMER MEALS PROGRAM

As we look forward to Spring, sunshine, and the end of another school year, we also think of summer meals for our students. Austin Public Schools will once again be offering free breakfast and lunch to all children ages 1-18. This is a federally funded program designed to assure nutrition is available to children when school is not in session.

The guidelines require children to eat on site and meals will not be allowed to leave the cafeterias. This can be a fun time for children to socialize with their friends while having a nutritional meal.

Young children should be accompanied by an adult.

Meals will be available for purchase for those older than 18 years.

There will be no meals served on June 19 or July 3.

Remember, hungry kids do not learn to their potential. Our goal is to take away as many barriers as we can for students. Please join us in helping our kids have a healthy, happy summer and prepare them for a successful return to school in the fall.

See you in the lunch line!

LOCATIONS
