Carl H. Sundahl Elementary

School Supply List
Special Education Supplies List

Hello Sundahl Families,

Parents often ask us for a supply list so that they can start shopping as soon as the school supplies are out! We have compiled a generic list, it would be beneficial to have these supplies ready to go on the first day of school. You may also view your child's corresponding grade level supply list too.

School size backpack
Lunch box (if needed)
Water bottle
Box of tissues
Wet wipes or baby wipes
Hand sanitizer
Glue sticks
Crayola crayons
Crayola markers

Please note - all supplies are considered a donation and any necessary supplies will always be available here on campus!
