

What is an Orthopedic COE?

The Orthopedic Center of Excellence (COE) is dedicated to ensuring that hard workers crucial to local communities—like yourself—have access to the best orthopedic surgery in the state.

The Hendricks Regional Health orthopedics team offers a seamless surgery journey from the initial consultation to every post-surgical follow-up. If physical therapy is needed after your surgery, we can tailor a plan to your needs and set you up with a rehab partner close to home.

Remain UNSTOPPABLE

You and your family deserve access to the highest quality and most affordable orthopedic surgery.

Call our dedicated COE concierge with any questions at **317-386-5630**.

Orthopedic Center of Excellence (COE)

UNSTOPPABLE Orthopedic Surgery

The Orthopedic Center of Excellence provides high-quality orthopedic surgery at little or no out-of-pocket cost. It's now available for all employees and dependents covered under your employer's health plan.

Who benefits from the COE?

Among the many industries our COE was designed to serve, public sector employees are near and dear to us, and we aim to help. No matter your role within your organization, you deserve top orthopedic care to keep you moving and feeling your best.

Through this cost-saving program, employees and their loved ones have access to the very same care that helped Hendricks achieve national recognition in quality, safety and patient experience by organizations such as Healthgrades, Leapfrog and U.S. News & World Report.

How much does it cost?

Our partnership with your employer will help you receive comprehensive care at little or no out-of-pocket cost. To make your experience as affordable as possible we:

- offer a shared savings check following surgery of \$500 to \$1,500, depending on the complexity of your procedure
- cover one night of hotel accommodations for patients traveling long distances

What surgeries are offered?

Our Orthopedic Center of Excellence offers a nationally recognized patient experience for a wide array of life-changing orthopedic and spinal surgeries. Procedures covered by our program include:

- ACL Reconstruction
- Cervical Fusion
- Carpal Tunnel Release
- Cubital Tunnel Release
- Foot & Ankle Procedures
- Ganglion Cyst Excision
- Gastrocnemius Recession
- Joint Replacement Procedures
- Knee Arthroscopy
- Ligament & Tendon Repair
- Muscle Repair
- Lumbar Procedures
- Rotator Cuff Repair
- Shoulder Arthroscopy
- Labral Repair of Shoulder
- Trigger Finger Release

■ **CHERI,**
School Payroll and Benefits Coordinator
and mother of COE patient

“The Hendricks Orthopedics Center of Excellence was the right choice for my family. It was worth the two-hour drive.”
