North School 2026 -2027 -Fourth Grade Supply List!

Fourth grade is an amazing experience- students grow into independent learners. **You are not required to purchase or donate school supplies or money. These lists are given as a reference for supplies that will be used in the classroom. These supplies are suggested, not mandatory.** Donations are appreciated and will help our students succeed in school. We have prepared a list of supplies/donations that your child will need for the upcoming school year. In this 4th grade supply List, the underlined supplies are the most important.
