

CONNOR MOOSE

V A L E D I C T O R I A N

P A R E N T S

Chris Moose and
Stacy Moose

As the Valedictorian of the Class of 2026, Connor finished number 1 in his class and currently has a weighted GPA of 100.38. Connor has taken a total of 13 Honors and/or Advanced Placement courses. He has taken 9 Regents Exams, with his lowest score being a 93. Connor earned a 100 on the Global and Chemistry Regents Exams. He scored a 4 on his AP World History and US History Exams, while scoring a 5 on the Physics AP Exam.

Over the past couple of years, Connor has helped keep accurate timing for the varsity swim team. Additionally, he finds time to clean out a local church and has managed the Halloween Youth soccer tournament store front.

Connor's Future Plans:

Attend the University of Rochester to study Chemistry.

His Favorite High School Memory:

He really enjoyed the farewell party for Mr. Dietz a few years ago with all of his band friends. This consisted of a picture booth, getting ice cream, dancing, and singing with his friends and teachers.

Connor's Advice for Underclassmen:

Do not be afraid to advocate for yourself, talk to teachers, seek help, and most importantly don't work yourself down to the bone for a grade. The most important part of school is not the grade but learning. Teachers are there to help you with that.

Some of Connor's Academic Awards include: earning his Script D, being selected twice as a Department Mustang of the Month, he is an Honor Roll student, he is graduating in Academic Honors, and most recently; Connor was recognized as being one of the few students nation-wide to be moved on to the National Exam Portion of the U.S. National Chemistry Olympiad. This is the premier high school chemistry competition in the United States and is organized by the American Chemical Society. It identifies a student's knowledge of chemistry and ability to problem solve. This honor indicates that Connor is one of the top high school chemistry students in the U.S.

Connor is no stranger to demonstrating commitment and excellence outside of the classroom as well. He was a member of the JV Soccer Team in 9th, 10th and 11th grade; and played varsity soccer his senior year. He is a member of our Drumline and Marching Band - and has received All County Band recognition. Connor is a member of National Honor Society, and in 10th grade was a member of the Spanish Honor Society. In 11th grade, Connor was a member of the Mock Trial Club. In 2025, Connor was a Boys State delegate - an honor that reflects his character and leadership traits.

Honors, Awards and Scholarships: AP Scholar with Honors Award, PhiThetaKappa Award, National Recognition for the Rural and Small Town Award, U of R Bausch & Lamb Scholarship Award and the RIT Science & Math Scholarship Award.
