

SUMMER

Driving Lessons

Parents...

Your son or daughter can take **driving lessons and their driving test** over the summer with American Driving School Owner/Instructor, **Ian Jeffery**.

This is the same program offered during the school year at **Archbishop Wood**.

Taking these lessons and the **30 hour online course** can enable the student to get **reduced insurance rates** and they will not need to visit the DMV for their test.

**DRIVE INTO
YOUR FUTURE!**

*Confidence.
Skills. Freedom.*
