Your student is strongly encouraged to have the following items to be successful in their 8th grade classes:

- 2-3 pencils at all times
- If you buy mechanical pencils buy some extra lead as well (seems like we're always in need!)
- Black/blue pens (no gel pens please)
- Pencil sharpener (Be sure it has a case to collect the shavings!)
- 3 ring binder with dividers and/or pocket folders (5-6 of them)
- Clear protractor
- Ruler
- Colored pencils
- Binder paper (***At least 1 ream per trimester***)
- 2-3 notebooks (preferably ones that have a clean edge when you tear out the pages)
- Science will need a notebook dedicated specifically for the topic. (As many pages as you can get. They'll be used throughout the year.)

"You are not required to purchase or donate school supplies or money. These lists are given as a reference for supplies that will be used in the classroom. These supplies are suggested, not mandatory."
