Academic Planning

Academic Planning is a process where you map out which classes you'd like to take over the next 3 years. It helps you choose classes that meet your personal and academic goals so you can get the most out of your high school experience.

Why is an Academic Plan Important and Why does having an academic plan matter?

- **Helps students understand graduation requirements and track progress**
- **Understand college entrance requirements (A-G, community college)**
- **Understand and complete CTE pathway requirements**
- **To see how different course sequences fit within your time at GBHS**
- **Connect high school coursework with post-college interests and plans**
