40 Days for Life: Pray for Chevy Chase

40 Days for Life: *Pray for Chevy Chase* is a new, year-round, multi-parish campaign inviting Little Flower parishioners to gather in prayer outside a local third-trimester abortion clinic located in the Barlow Medical Building in Chevy Chase, praying for an end to abortion. Led by Fr. Danny and parishioner Bridget Edwards, participants gather every Saturday from 9:15–10:15 a.m. The group is gaining in numbers and momentum.

May Baby Shower

The annual May Baby Shower is underway to collect baby items for expectant mothers, children and families served by Centro Tepeyac Women's Center, Shady Grove Women's Center, Rockville Women's Center, Gabriel Network Maternity Home Program and the Gabriel Project Cluster of Montgomery County. Many thanks to the ushers for taking the returned gift items to the basement and to our parishioners for their kind generosity.
