High School News

A Moment of Thanks

Thank you for an incredible school year. I am truly grateful for the opportunity to spend each day with your child and to contribute to their academic success. This will be our final newsletter until July, at which point I will update everyone on the upcoming events that will mark the beginning of the 2026-27 school year. Once again, thank you, and I wish you all a wonderful summer break!

GRADUATION

Congratulations to the Class of 2026! I appreciate the patience of our students and families with the continued weather update on Saturday. It was a beautiful evening and glad we could celebrate in the stadium. A special thank you to Christina McDonough for a successful graduation. I appreciate all of her hard work, and dedication to make this event run smoothly. A live stream of graduation can be found on our school's website. Again, congratulations to the Class of 2026!

KIDS TABLE PROJECT

The BWHS Transportation Department will be organizing a food drive aimed at addressing the meal gap that some families experience during the summer months when our school cafeterias are closed. Donations can be dropped off at 117 Kintner Parkway, Monday through Friday next week, between 9 a.m. and 5 p.m. We encourage you to share this initiative in your newsletters to staff and families. For any inquiries regarding the food drive or if you are aware of a family in need, please direct individuals to Alan Feeman at alanfeeman@bwls.net or Hollie Peden at holliepeden@bwls.net.
