2026 SENIOR EXIT SURVEY

The Class of 2026 Senior Exit Survey has been posted to Schoolinks. ALL students must complete this prior to graduation. However, any student who is enlisting in the military or who has been awarded an academic scholarship to the college they will attend must complete the survey by **Wednesday, April 8th** to be recognized in our annual **Academic and Military Signing Day** assembly. Completing this survey is the only way we will know a student is eligible to participate, so please make sure you have completed it by the deadline. The survey can be found on Schoolinks and is titled "Senior Year End Activity". If you have any questions about the survey, please reach out to the School Counseling Office.

The 3rd Annual Red Edwards Run is held in memory of Coach Red Edwards, who dedicated 65 years to the Big Walnut Cross Country and Track programs. A respected member of the community, Red exemplified commitment, effort, and meticulous attention to detail, and he deserves to be honored for his contributions. This event will serve to fund the Red Edwards Scholarship, which is open to all senior members of the track programs. The Red Run features a two-mile course that encompasses track, road, and grass, symbolizing a commitment to the sport of running. Additionally, there will be a children's run, covering 400 meters (one lap around the track), to showcase community support. For those not interested in the two-mile race, a 400-meter option for adults will also be available.

Join us on Friday, April 10th, at 6 PM inside the BWHS Stadium. Registration can be completed at the following [link](#).
