

2026-2027 CCL PTO Student Directory Order Form

CCL creates an electronic student directory (buzz book)

This directory includes our parent names and contact information as it is listed in Infinite Campus. The purpose of the publication is for our parents to build child-centered connections and family relationships within our school community. We ask that this parent directory information **not** be utilized by businesses to solicit customers or by political candidates for public office. Thank you for your cooperation in this matter.

Everyone is automatically included in the CCL PTO Student Directory unless already opted out through Rockwood's FERPA questionnaire.

If you wish to order a student directory, complete the information portion of this form.

Please include a check or cash payment of \$5.00.
