4. Educator Wellness for Teachers and Leading Educator Wellness
Rebecca Cline

Discussion was held regarding upcoming professional learning opportunities focused on wellbeing. On June 10th, Solution Tree will provide in-person professional learning for educators and leaders centered on wellbeing. Each participant will receive copies of *Educator Wellness* and the *Educator Wellness Planner and Journal*.

It was also shared that a voluntary book study utilizing both resources will be offered throughout the 2026–2027 school year for those interested in participating.

5. Stock Epi Update
Monica Porras

Discussion was held regarding the continued development of draft policy and protocol throughout the summer. Updates will be shared with the council as progress is made.

Council members were informed that reference materials to be utilized during the development process have been gathered and are available for review in the [Reference Folder](#). Thoughts, feedback, and suggestions from council members were encouraged throughout the process.

6. Other Items
Monica Porras

Discussion was held regarding the current 2-year council term ending this year. Current council members were informed that they are welcome to return for another 2-year term.

It was also noted that parents should make up more than half of the council membership. Current council members were encouraged to share information about the opportunity with interested SAISD parents and encourage them to reach out regarding participation for the upcoming term.

Additional information and guidance from the district is expected to be released before the end of August.

There being no further business, the meeting adjourned at approximately 12:14 by Geneva Rodriguez.

Audio of the meeting is unavailable due to technical issues.

Respectively submitted,

Monica Porras, SAISD Health Coordinator, SHAC Secretary
