Resolution in support of our Military-Connected Students and Families

At Audie Murphy Middle School, we are committed to recognizing and addressing the unique needs of our military-connected students. Our vision is for all staff—teachers, counselors, paraprofessionals, administrators, and support personnel—to be knowledgeable about these challenges and work collaboratively to foster a supportive, understanding, and resilient school environment.

Military Families New to Audie Murphy Middle School

On behalf of Audie Murphy Middle School, we would like to welcome you to our Family! Here at Audie Murphy Middle School, we embrace our military families and are here to make your transition as easy as possible. At Audie Murphy Middle School we have teachers who are military veterans, and we understand the need to quickly maneuver and adjust to a new environment on a moment's notice. We are here to ensure that every Military Connected Student receives the quality education they deserve and has access to all the opportunities and tools available.
